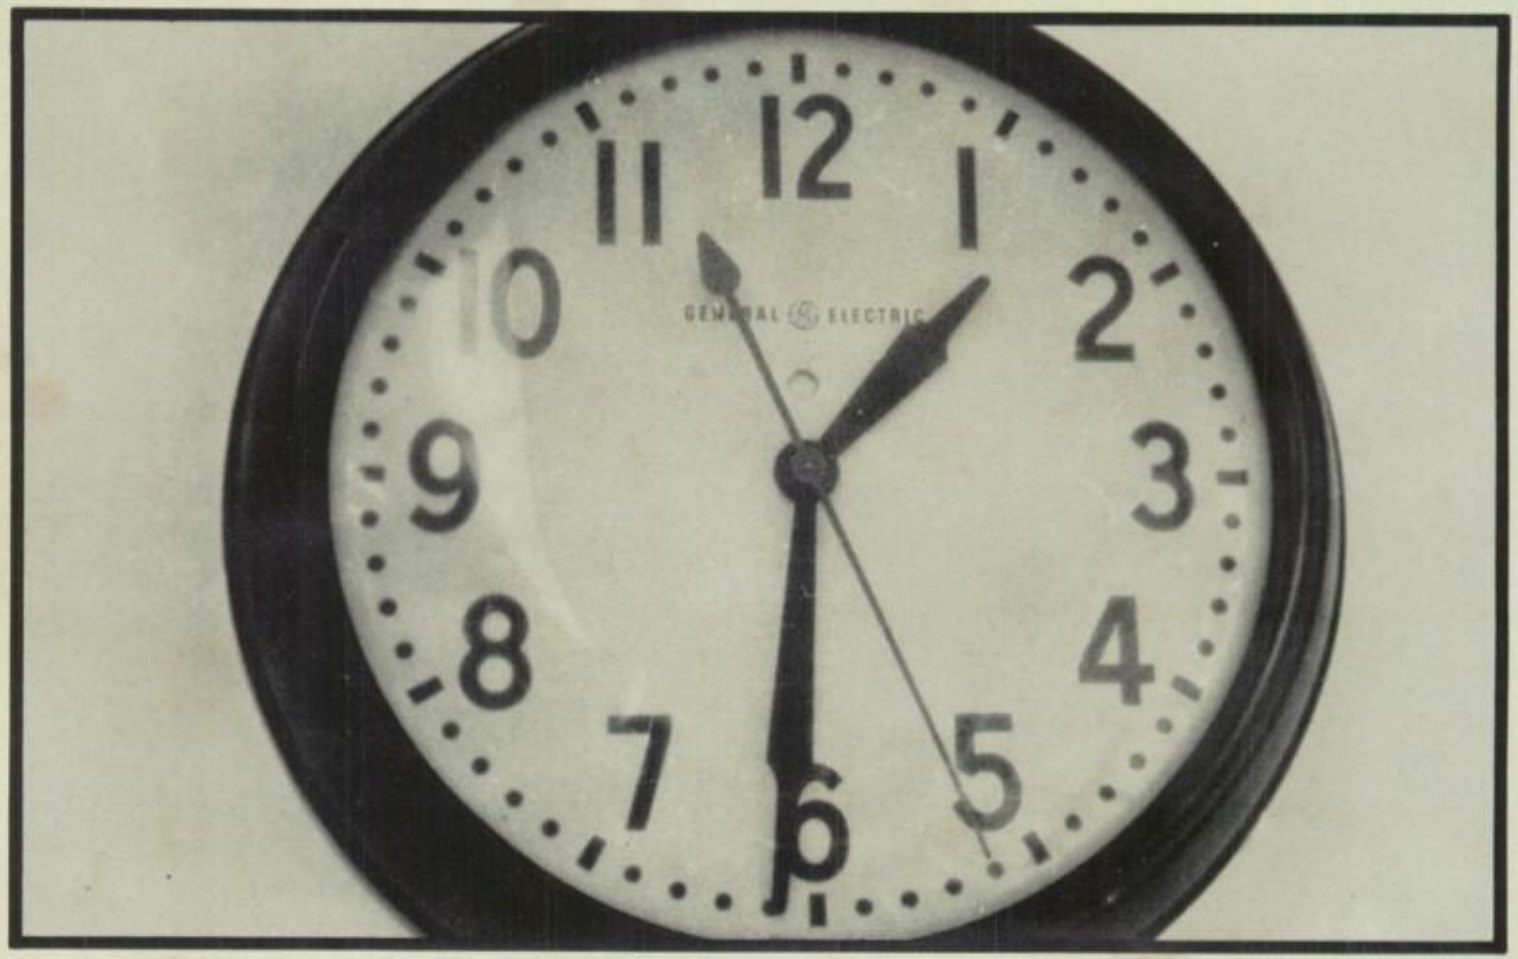
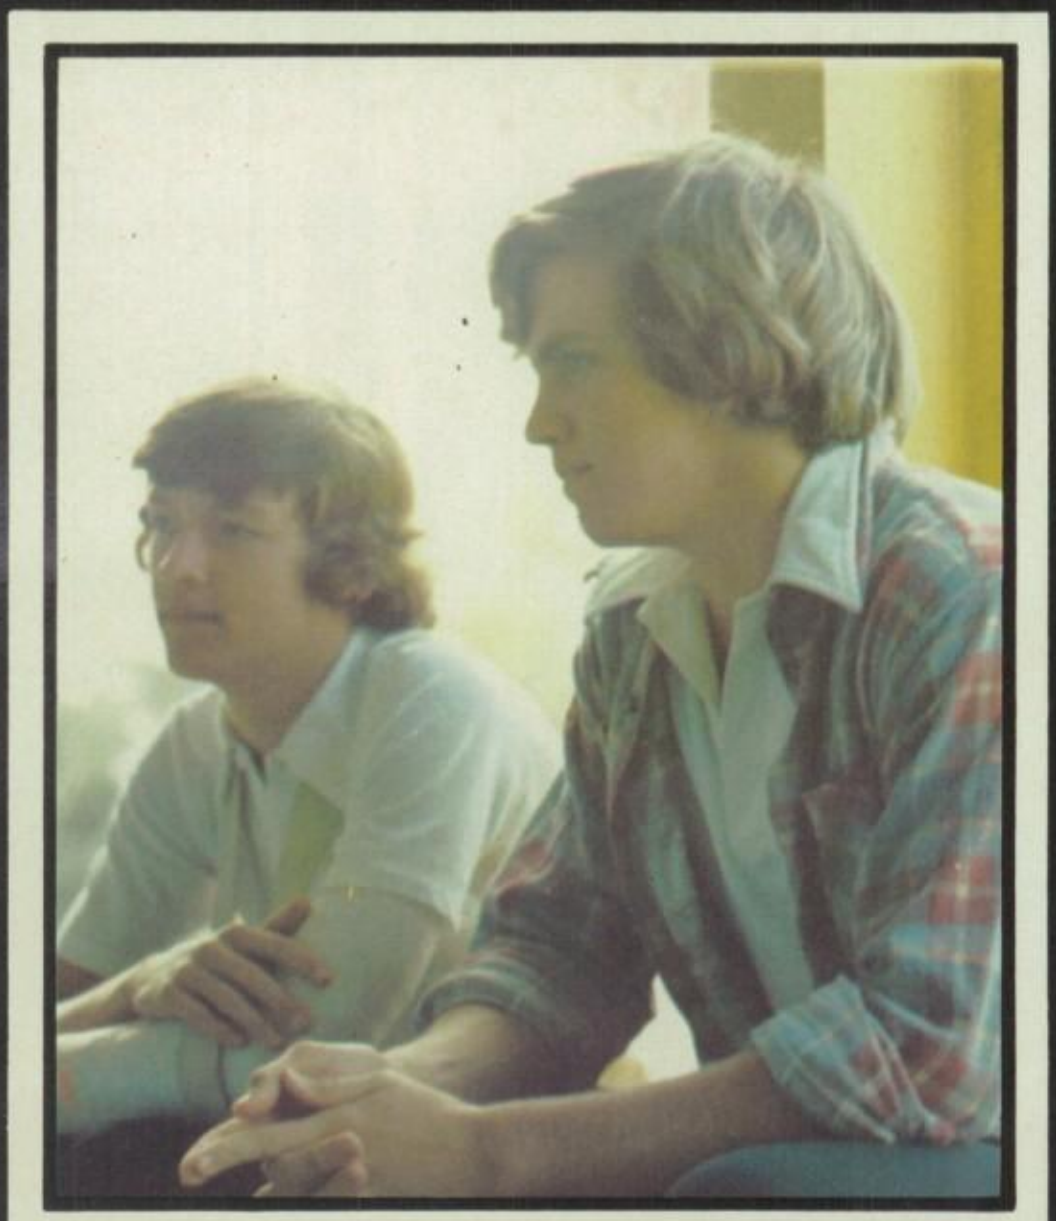
Volume XVIII

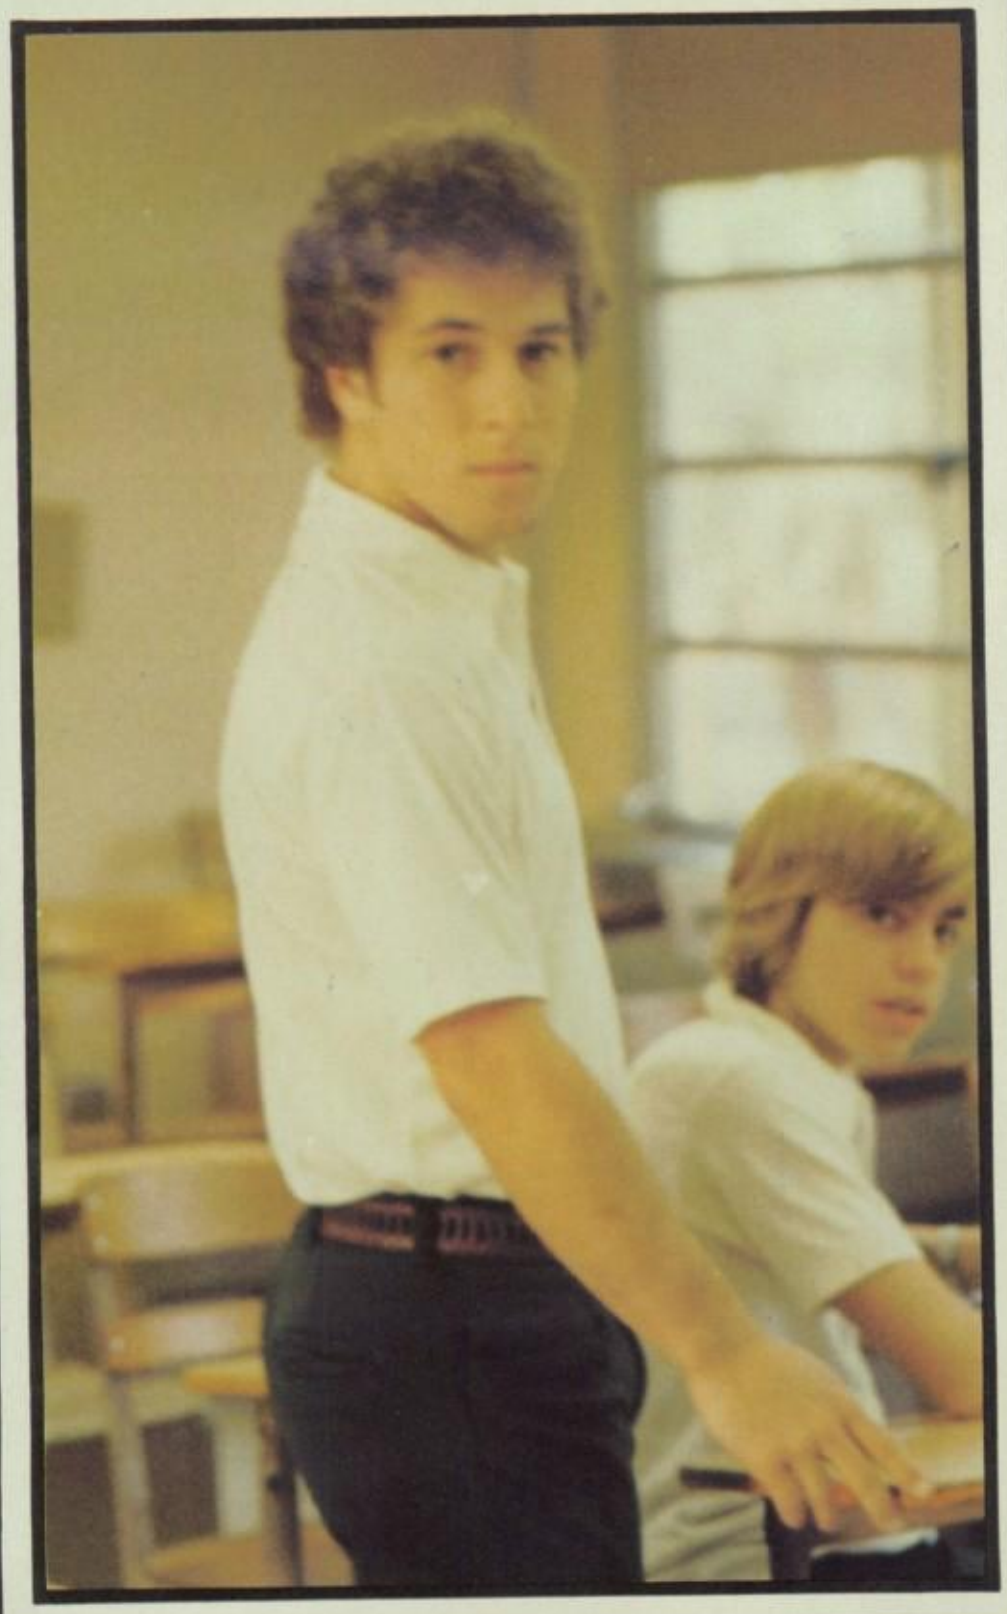
The hands of Time . . . are they our friend or enemy?



Lying within those mighty hands
are changes;

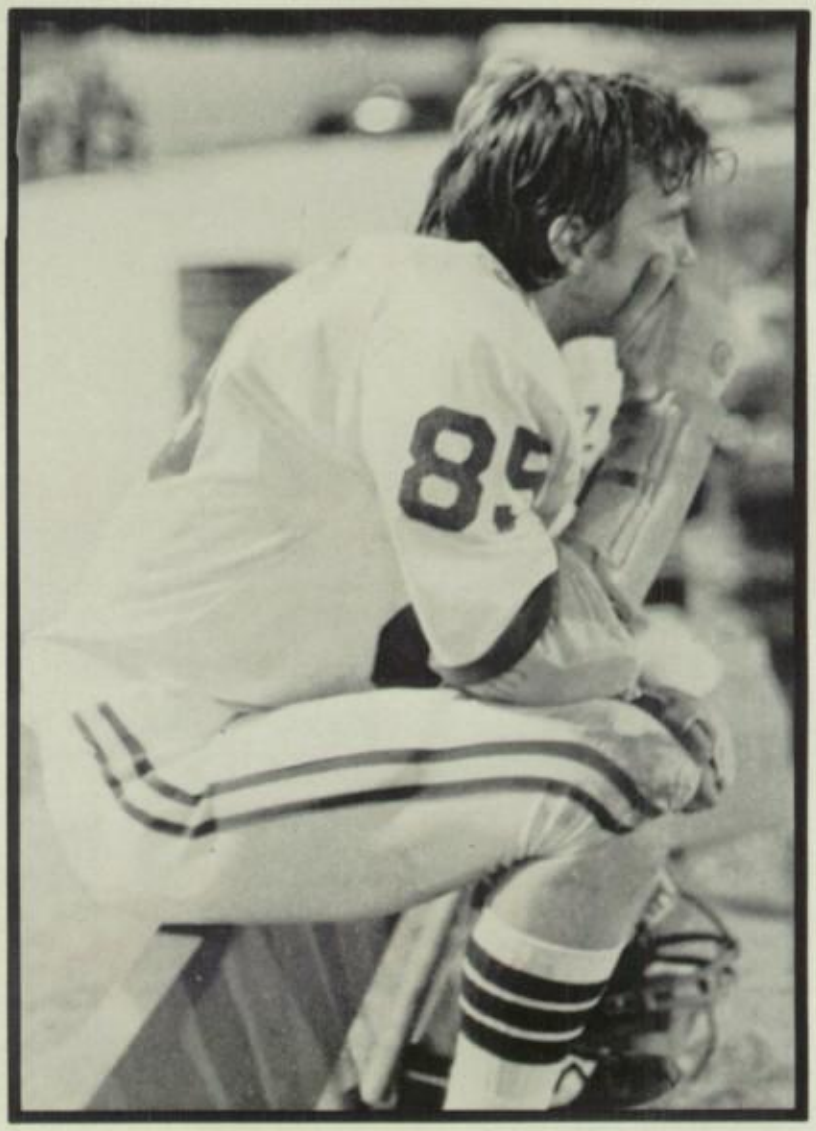
Changes that will affect us and our lives.

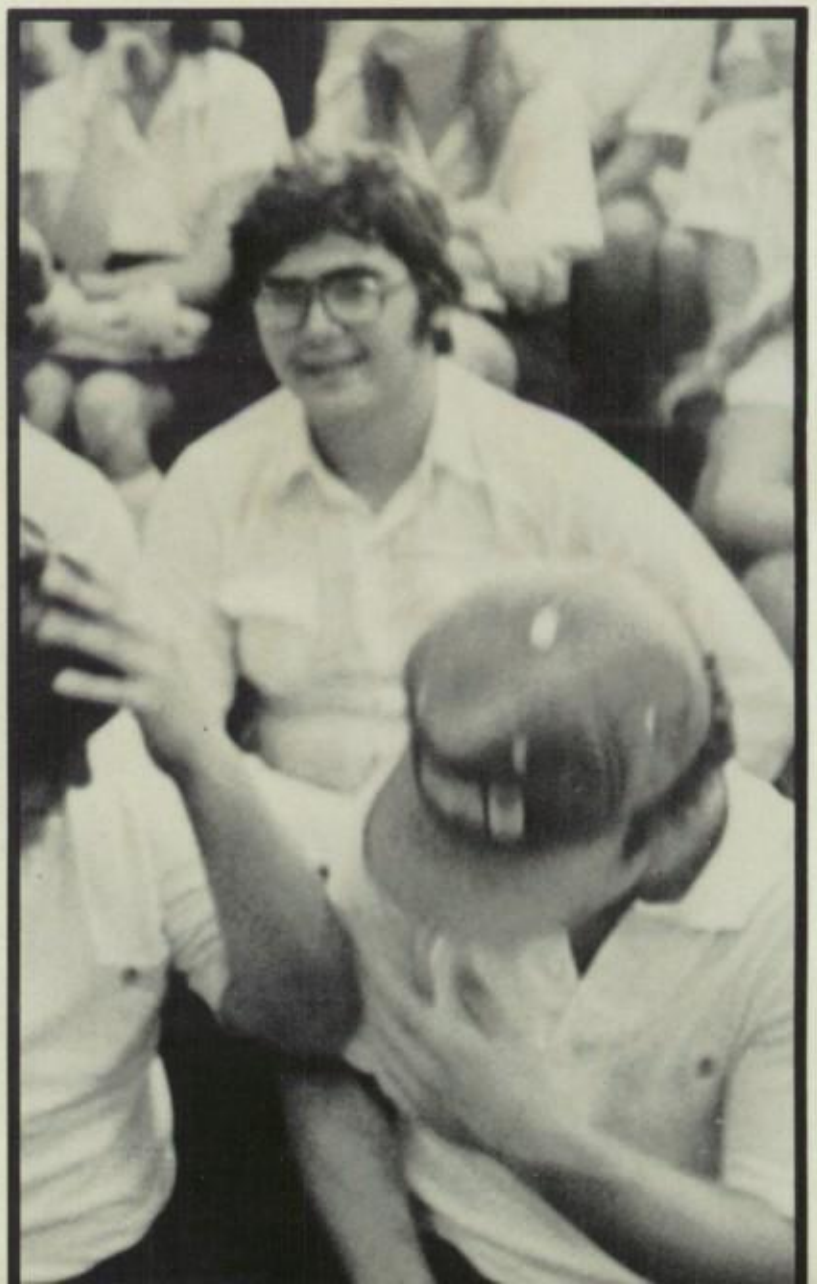




Making us different people;

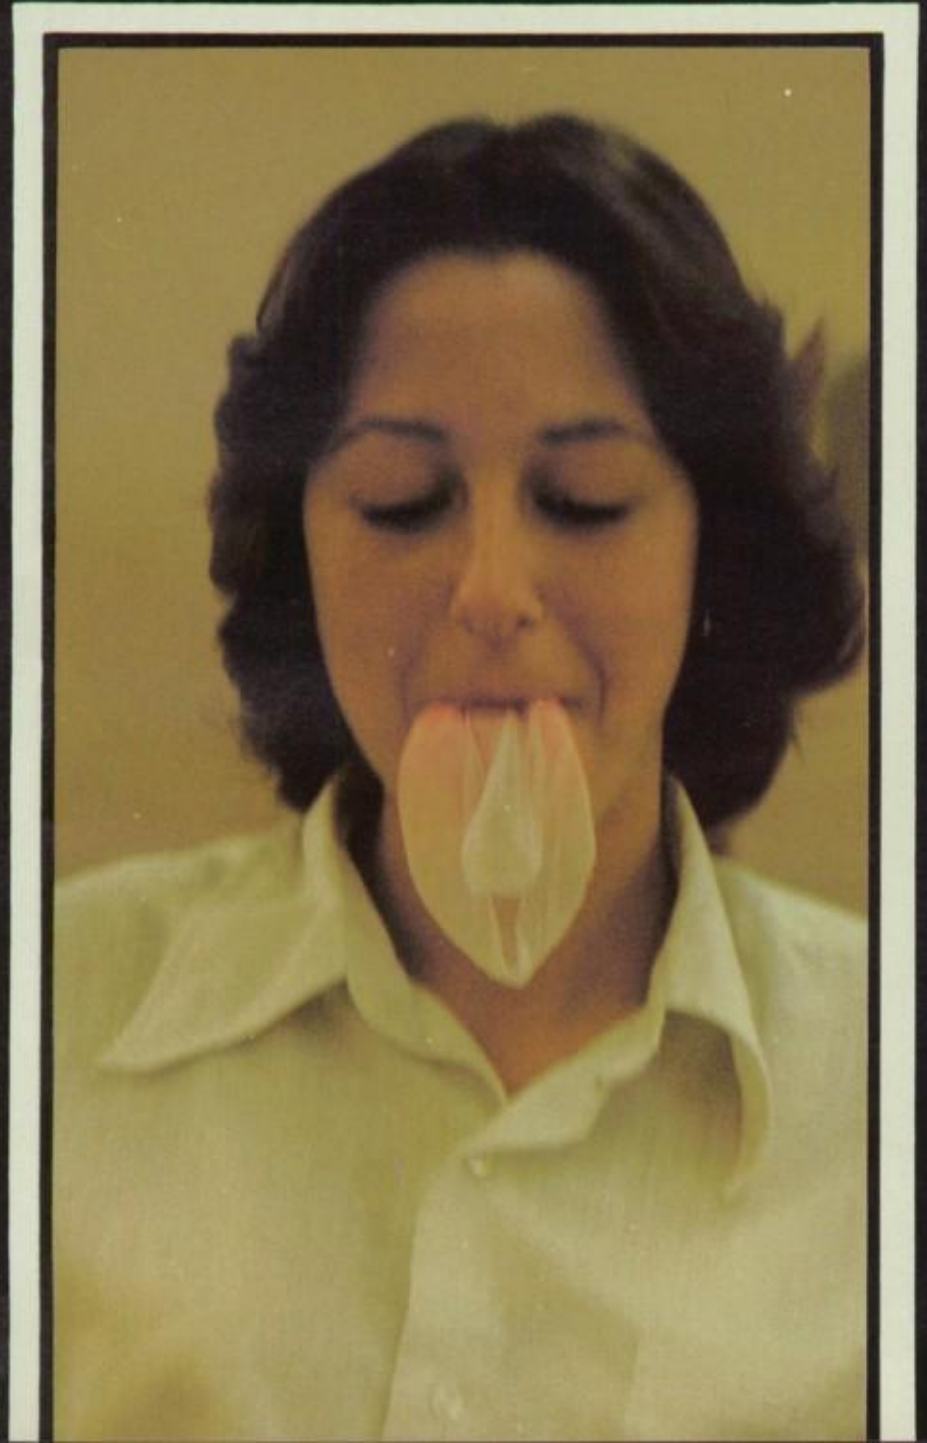
Giving us hope or fulfilling our dreams.





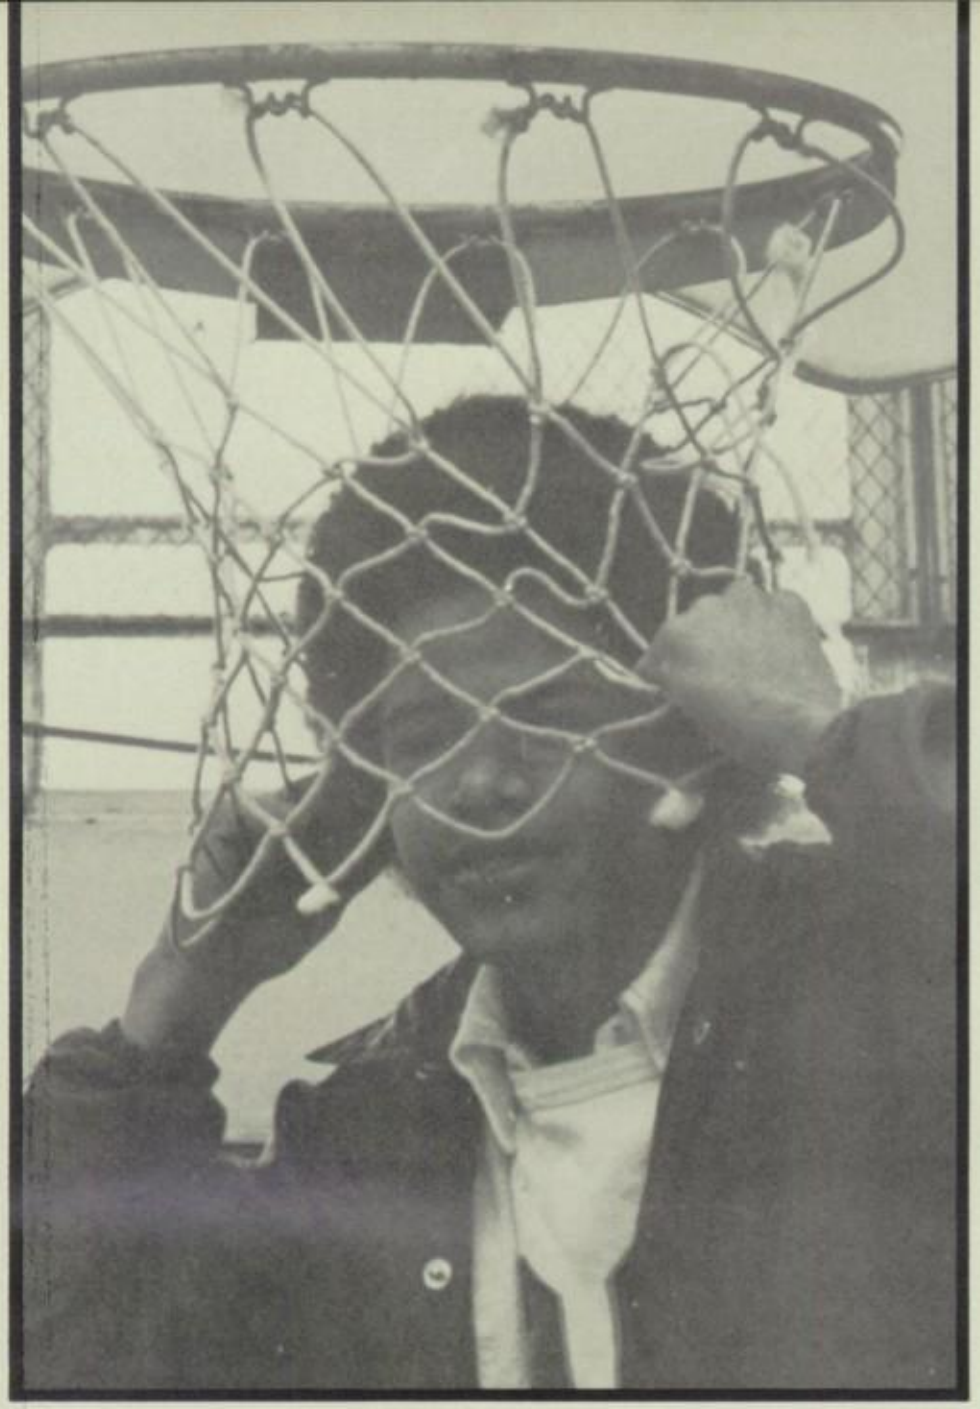
Changes that will affect our minds and actions:

Different attitudes, different behavior;



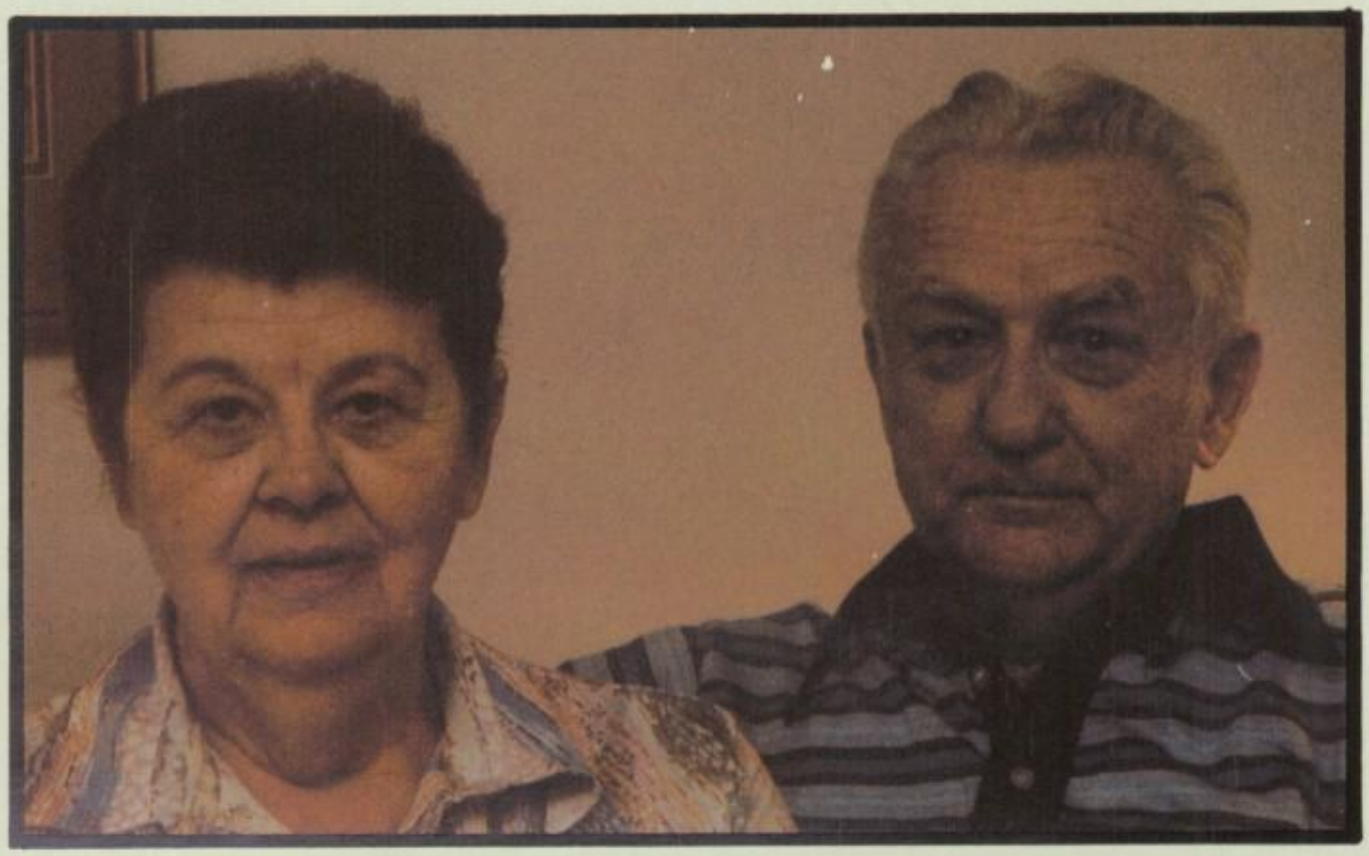
A changed outward appearance —
a totally new self.

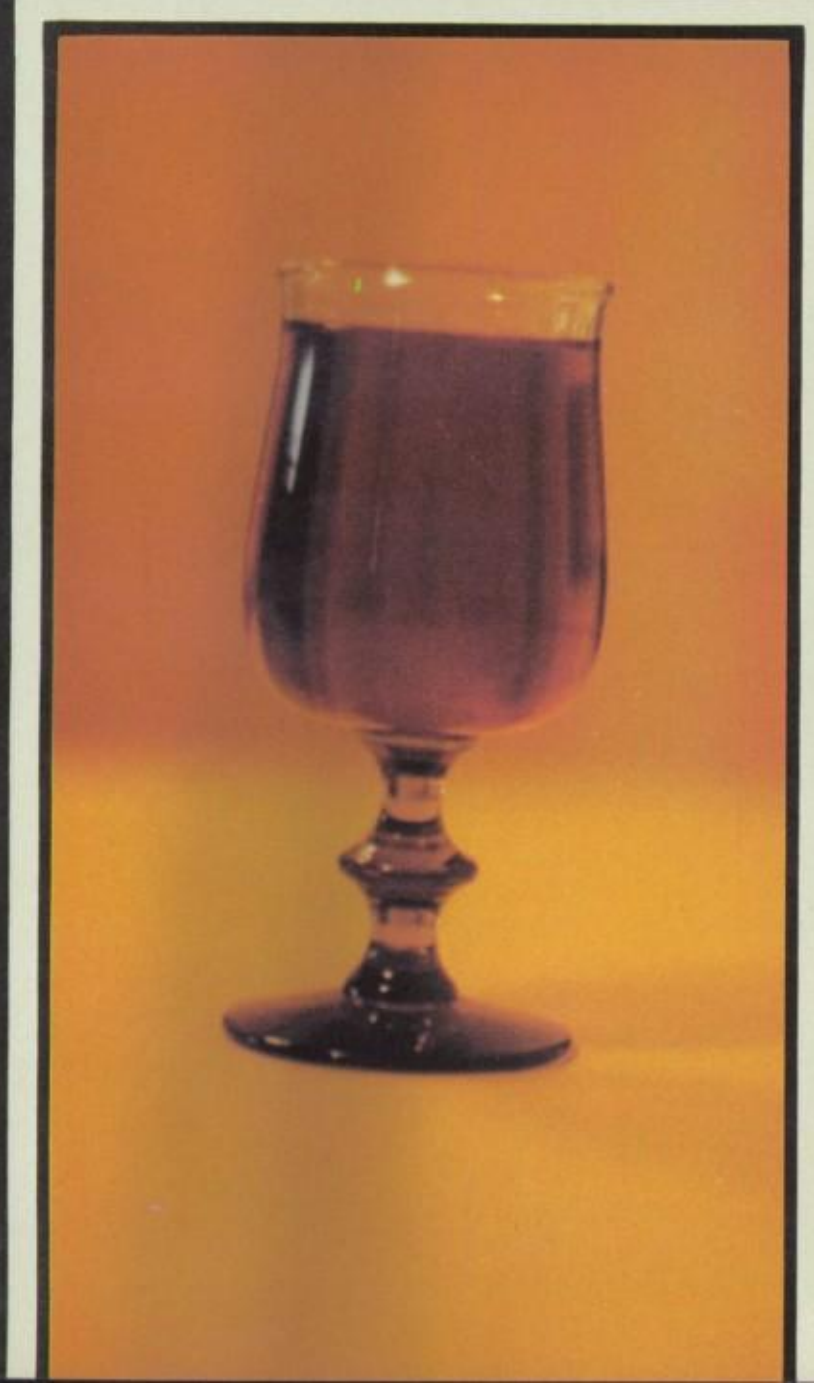
Should we fear these changes?



Would we be better off
to
hide from them?

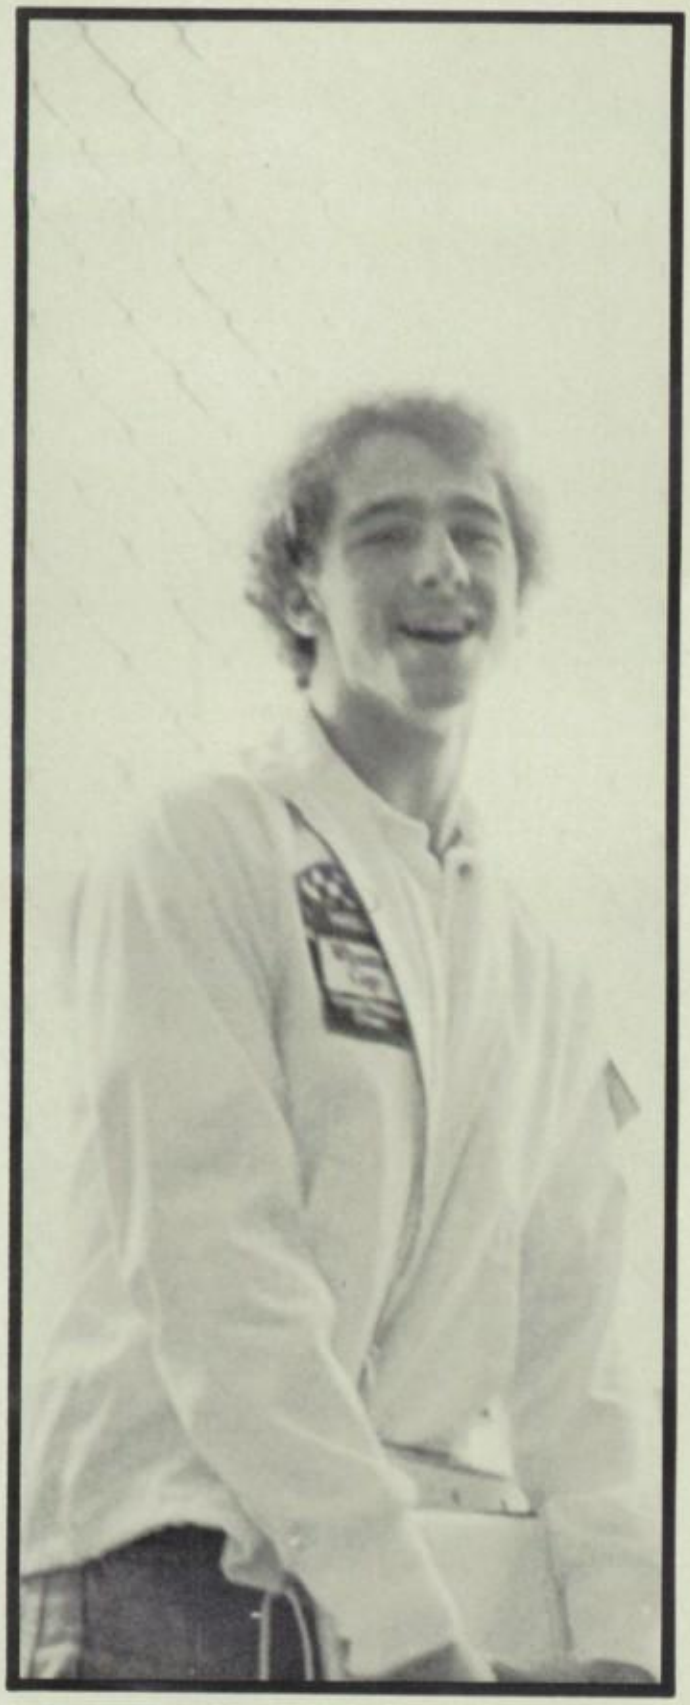
Time brings changes, changes bring age;





Age brings maturity, and maturity enriches our lives.

Life is so fragile, so vulnerable at the hands of time;



But how dull it would be without the changes within those mighty hands.

DEDICATION

My Boy

"So let him live,
Love work, love play,
Love all that life can give;
And when he grows too weary to feel joy,
Leave life, with laughter, to some other boy."

Charles C. Wakefield
Leaves of Gold

We, the Veritas staff of 1978, dedicate this yearbook to the classmate who taught us to appreciate life; Armand Mark Fischetti — "Peanut," 1960 to 1976. During the time he lived he became a symbol of how precious life is to each of us. Although this chapter of our lives is closing and will soon be forgotten, the memory of Armand will always remain a part of our hearts.

Song: Alma Mater by Chicago

Looking back a few short years.
When we made our plans and played the cards the way they fell.
Clinging to our confidence
We stood on the threshold of our goals that we knew dear.
And though we had our fights.
Had our short-tempered nights, it couldn't pull our dreams apart.
All our needs and all our wants
Drawn together in our hearts
It's all happened recently
Now we're living in the dream we
Everything is going fine
And we just have to keep in mind — We must set brand new goals
We must not lose control
of the possibility
of the discovery
that would let everybody see

That we were just meant to be.

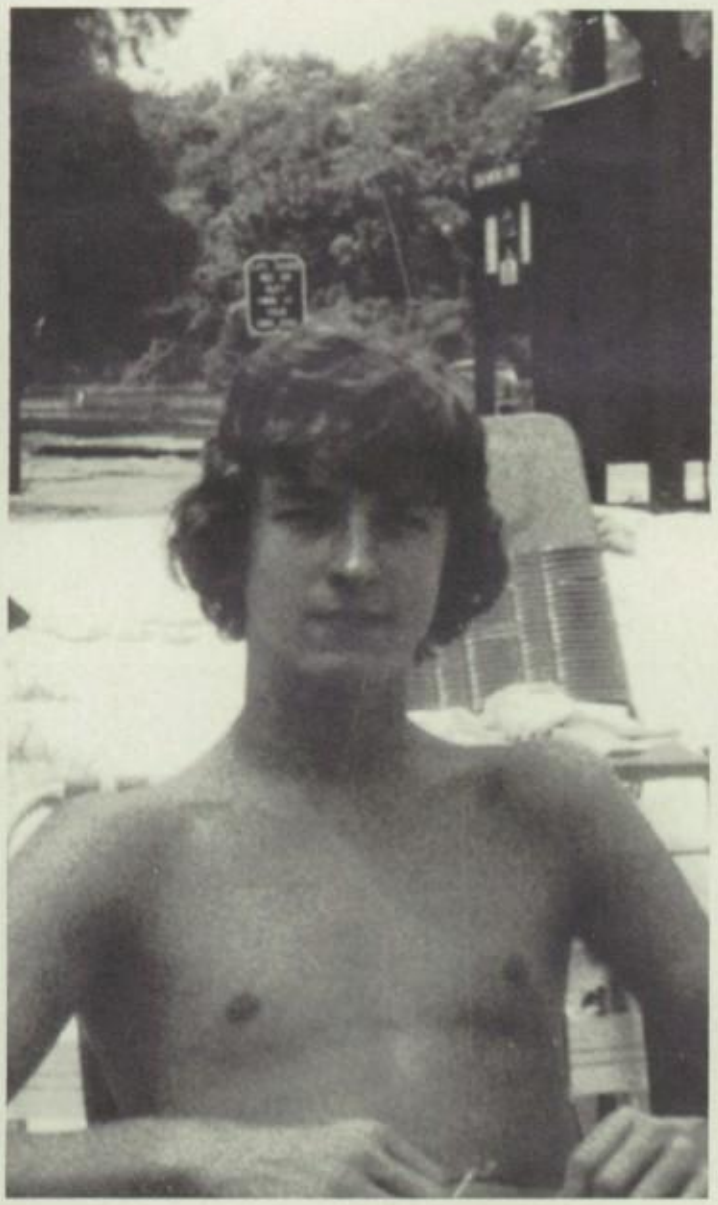
Senior Skip Day

Is that Tarpon Rolling in the springs?

Where do seniors go and what do they do when they're given a legal day to skip? The Class of '78 packed up and headed for Alexander Springs on their skip day, May 1.

Following a long weekend, the seniors couldn't have been more pleased when Monday rolled around and the weather was perfect. All decked out in bathing suits and shorts, they plunged into the refreshing waters of the springs. Among the activities of the day were swimming, sun bathing, scuba diving, hiking, and relaxing.

As it always happens when people are enjoying themselves, time seems to fly and the sun was setting. A happy group of seniors packed up and left Alexander Springs, warmed by the memories of a day among friends when all problems were forgotten, and fun was the only thing on their minds.



I feel strongly...both ways.

Priscilla...Ready for take-off.

What Is a Ring?

Senior Ring Blessing

To a young girl, it is an ornament for her finger. To a bride, it is a symbol of a new life. To a high school senior, it means a school ring . . . an object that can bring back years of memories full of joy, hope, sorrow, hardship, friendship, and change.

This year, the Father Lopez Senior Ring Blessing was held at Prince of Peace Catholic Church with Father John Picciano celebrating the Mass. Participants in the ceremony were Suzanne Mollenkof and Mark Nash, with the music provided by Mary Beth Elston, Cathy McCloskey, Jack Wade, and Bill Lloyd.

Immediately following the ceremony was a luncheon held at the King's Cellar Restaurant.

This special day gave the same thoughts to each senior: memories of past days, close friends, and never again experiences, thoughts of the future and what it would hold, and thoughts of today — the stepping stone for tomorrow.

ENDLESS SUMMER

Prom 1977-1978

Summer came early for many Juniors and Seniors when one of the most memorable moments of the year arrived April 15, 1978. That moment was the Junior-Senior Prom themed "Endless Summer." It was held at the Days Inn Shores Motel in honor of the Seniors of 1978 and given by the Junior Class.

"Full Circle" filled the dance floor and swung the music around from soul to disco to rock and roll. Surfboards, palm trees, a sailboat, and a huge mural drawn by Taka Kawamata decorated the hall, along with a lavish table of hor D'oeuvres served by sophomore hostesses. Thanks to the hard work of the prom committee and sponsor Joan White, Prom remains as one of the highlights of senior year.

Love at first sight? A little overboard, kids.

Lisa Gargulio and Marc Fortier get ready to enter Endless Summer.

WALT DISNEY WORLD PRESENTS

Grad Nite

Marcus, there's a spider in my purse.

It's not polite to point, Michele.

Former Lopez graduate.

Mark tries out for the Haunted Mansion.

Please, I'm trying to carry on a conversation here.

Ants in your pants, Kevin.

"Hi! My name is Tim McNamara. Welcome aboard Surf Coast tours, where we will be traveling to the Wonderful World of Disney."

Each year Walt Disney World honors graduating seniors throughout the state of Florida by providing concerts by the nation's top groups and unlimited use of the Magic Kingdom attractions. This year, Father Lopez seniors enjoyed their Grad Nite on May 12, from 11 p.m. to 5 a.m. Leaving Lopez at 9 p.m. and arriving by buses at the Kingdom, the seniors enjoyed the music of the Atlanta Rhythm Section, High Energy, Hot, and Con-Funk-Shun. After an exciting but tiring night of eating, dancing, and riding the attractions, the seniors managed to sleep on the way home.

A LONG AWAITED PRAISE

Senior Awards

Tim, you're so slow!

I don't believe it!

Isn't that sweet . . .

Good job, Matt.

With the end of the school year come the awards for those seniors who have shown outstanding characteristics in a wide variety of categories. This year's Senior Awards ceremony was held on May 21 in the St. Brendan's Social Hall. Mr. George King, one of the senior sponsors, was the Master of Ceremonies, and several juniors were hostesses and assistants. During the intermission, two seniors, Joanne Costello and Bill Lloyd, entertained those present with musical selections. After a year of hard work, those who had put forth their effort were given the results of those efforts in the form of awards, scholarships, and recognition.

Told you I'd get it, Tim.

NEW BEGINNINGS

Commencement

"For everything there is a season, and a time for every matter under heaven."

For the seniors, May 26 marked the beginning of a new season; it marked their season of New Beginnings. Following several hectic practices, they were finally ready to take the big step.

The Graduation ceremony took place at St. Paul's at 7:30 p.m. on May 26. Bishop Thomas Grady officiated, and was assisted by pastors of local parishes as well as Father John Picciano and Father Michael Hogan. Several members of the graduating class participated by reading and singing. Sister Rose Ellen announced the graduates receiving diplomas, and Mr. George King acted as Commentator during the commencement ceremony.

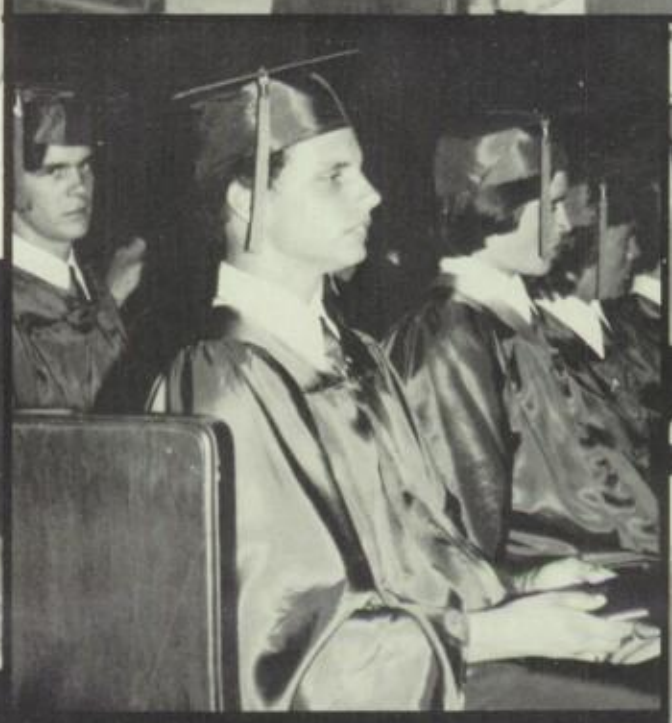
Four years of high school are now ended, and for most, it hardly seems possible. Four years which reached their peak on May 26, 1978 when they were finally handed the proof of their endless labor, and amid tears and shouts of joy, realized that this was goodbye. Now they must begin again — never forgetting that which has already past, but instead, taking from those memories and building a stronger future. Fears in New Beginnings can be just as difficult to face as the tears that come with the closing of a chapter in life, but both are essential, and for both there is a time.

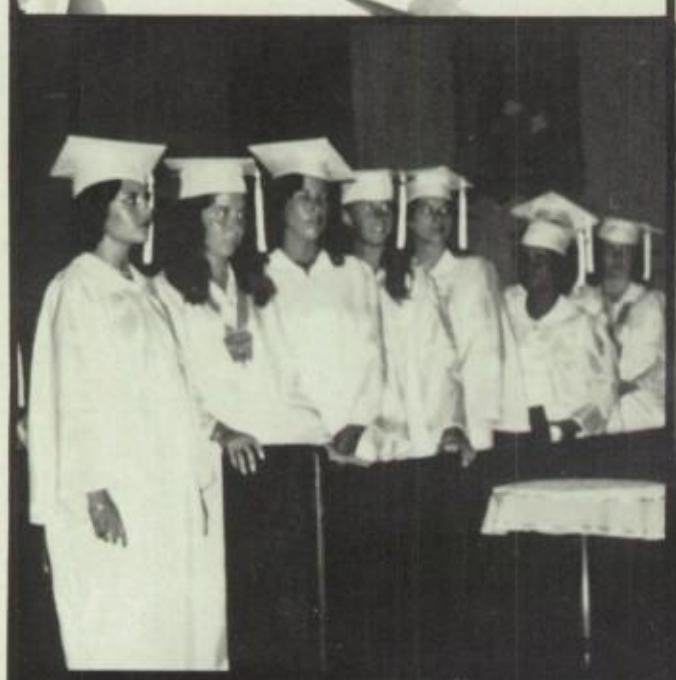
Many long, disappointing hours of practice were transformed into a beautiful and rewarding ceremony.

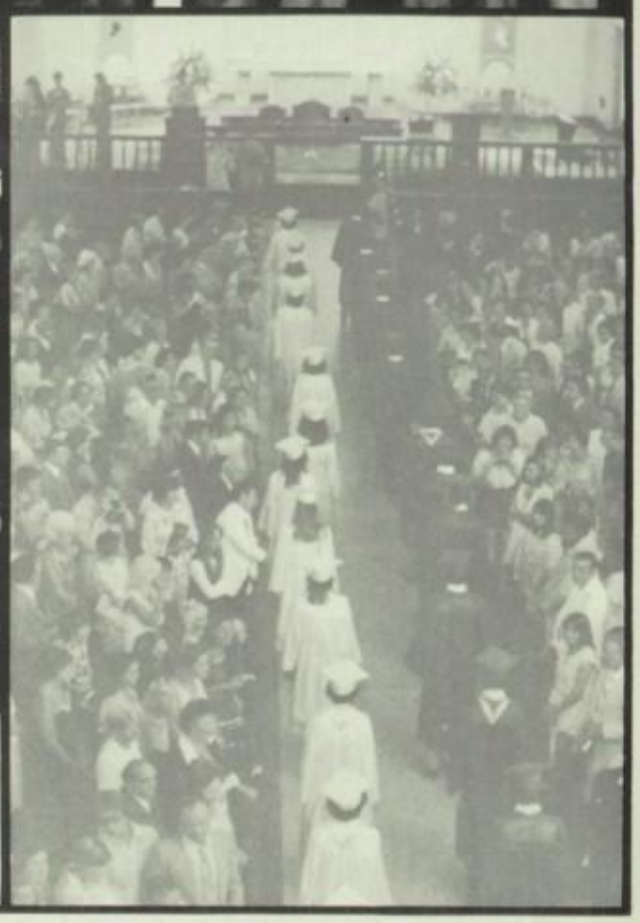
Larry Motzel reading one of the last scriptures the Class of 1978 would hear together.

"Don't point that camera at me, buzzard breath."

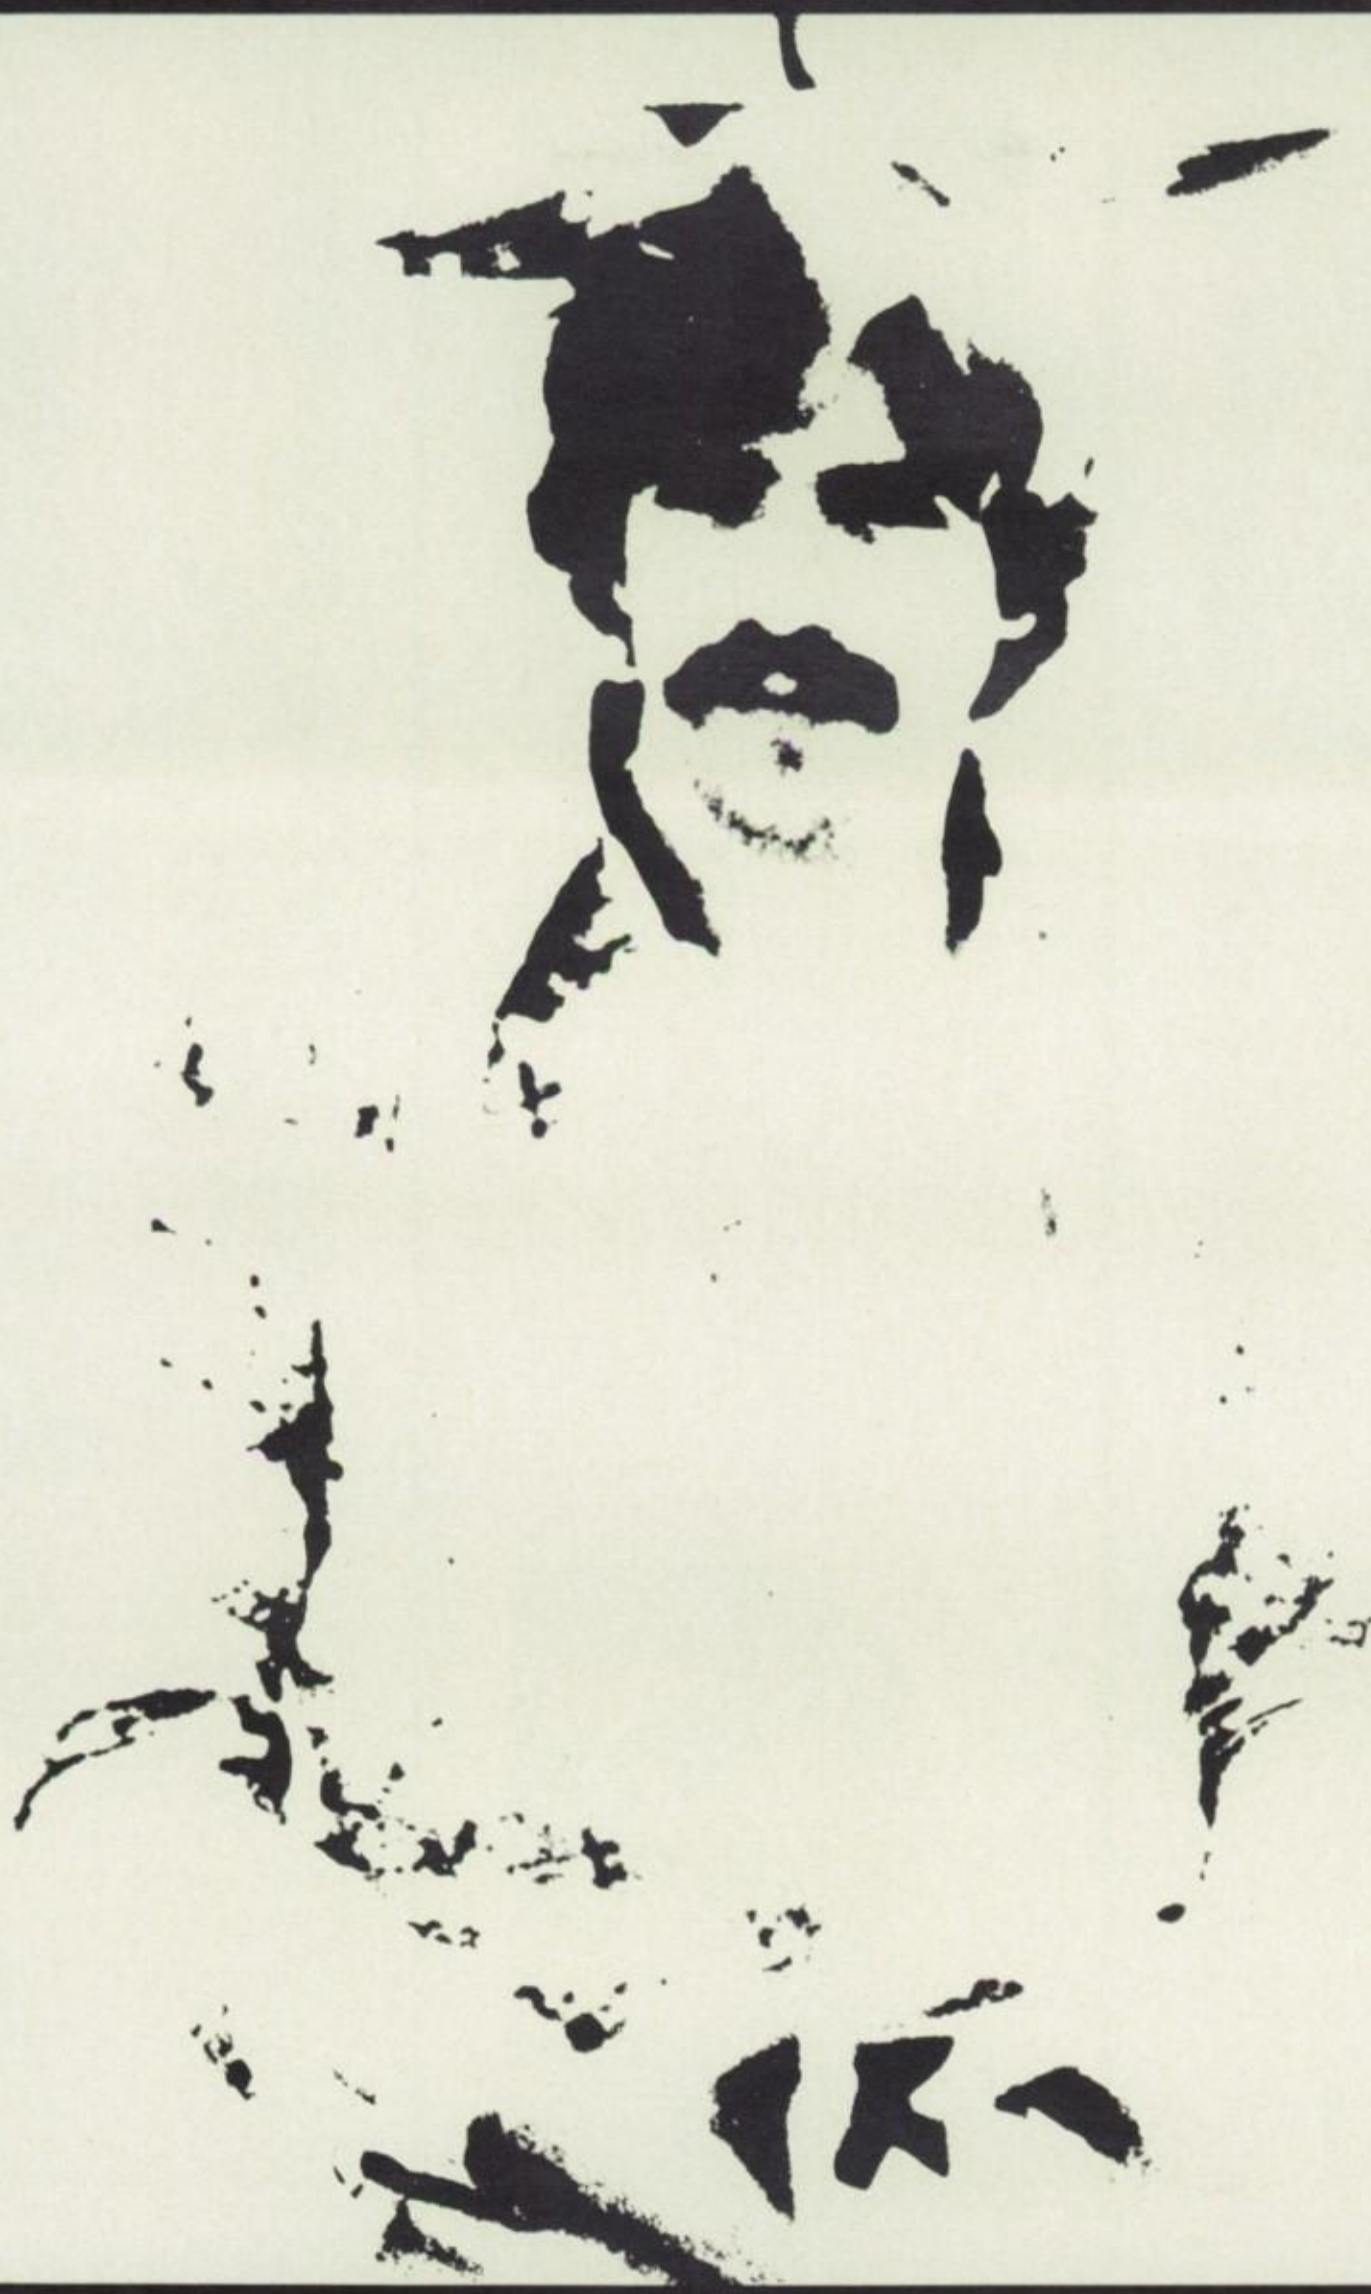
Susie Demming receives the symbol of years of working, learning, changing, and growing.







REMEMBER . . .



ADMINISTRATION

"You are a blockhead!"

"You want $25.00 for what?!"

Lucy Peanut?! That's right, *Mrs. Catherine Boyle*, English, Speech, and Journalism teacher originally from Daytona Beach, is known as Lucy Peanut to her husband, Jeff. A graduate from Florida Technological University, Mrs. Boyle does bear a remarkable resemblance to the famous comic strip character. She enjoys the beach, bike riding, reading, listening to music, and is becoming a world traveler. Her favorite passion, however, is basketball and "Dr. J."

Sister Cecelia Byrnes, widely known around the Lopez campus for her many diverse activities, is from New York City. She attended the Dominican College there, where she earned her B.S. in Education. Sister Cecelia is very involved at Lopez. She is into everything from teaching Algebra I courses to sponsoring SGA and Interact.

"Ax + By = By + Ax."

A lover of Italian food, *Mrs. Evelyn Champagne* holds many responsibilities here at Lopez. In charge of clubs' and sports' finances, tuition, and all other finances, Mrs. Champagne, born in Beaver Falls, Pennsylvania, has been working at Lopez since November of 1974. During her free time at home she likes to knit or do needlepoint.

Sister Mary Ann Collins, well known for her remarkable cheering ability, is, of course, the sponsor of the Pep Club. A northerner, Sister Mary Ann loves the climate here and loves doing her thing which she calls "beaching." Although she's often busy with underclassmen theology and world culture classes, she always can be seen cheering at the games.

"Now that's what I call a priest."

Typing and Bookkeeping expert, *Mr. Jim Gardinier* is a graduate of Walsh College in Ohio. Besides teaching, Mr. Gardinier enjoys participating in many sports: tennis, raquetball and golf to name a few. He also likes to go camping along with his wife, Carolyn, and he claims to like any food which is fattening or non-fattening.

Mr. Gardinier cheering at a game.

"And furthermore. . . ."

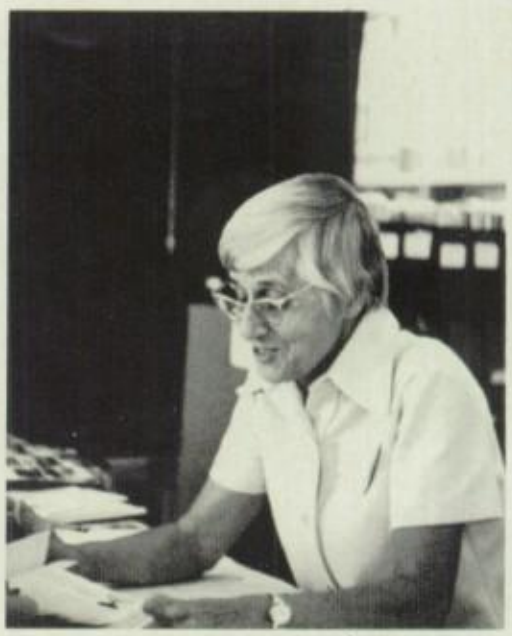
Besides being our principal, and taking care of all of her responsibilities around school, *Sister Rose Ellen Gorman*, of New York City, also enjoys roller skating and bike riding. She lived in New York all of her life and received a B.S. in Education and a M.A. in English, Administration, and Supervision. She has had a great deal of variety in her career, having taught all grades from kindergarten up to and including college. But everyone needs to relax, and for Sister Rose Ellen, relaxation can be found in books.

Sister Gail Hegarty, of Brooklyn, New York, is the most soft-spoken member of the faculty. Educated at the Dominican College of Blauvett, Sister Gail also is the bearer of a M.A. in History from Columbia University, New York. Teacher of world culture and theology classes, Sister Gail loves jelly beans.

"And then Goldielocks said . . ."

Part-time theology teacher, *Father Michael Hogan* likes to keep his life his secret. Born in Ireland, Father Hogan claims his life is an open book but that he has a right to his privacy.

"13 is irrelevant."



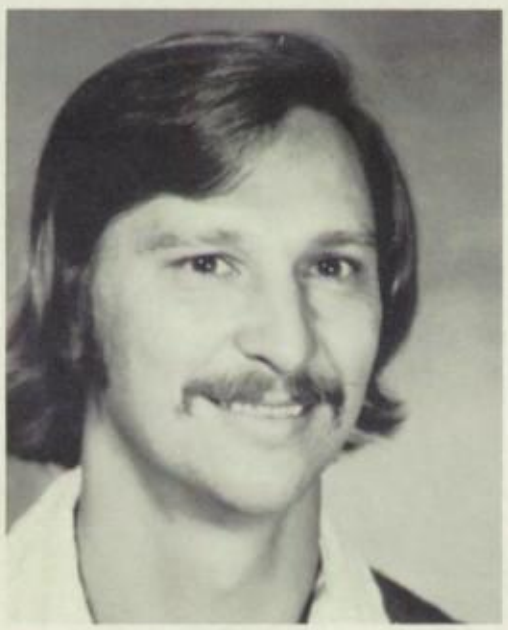
"Seven years overdue, that's $675.00."

Lopez library is run almost single-handedly by *Mrs. Helen Jerabek.* Qualified for the job with a M.A. in Library Science from the Columbia University Library School, Mrs. Jerabek has been in charge now for almost eight years. She likes to bike ride, but her favorite pastime is, of course, reading.

"Where did you get this magazine??"

Regressing, Mr. King?

Born in Memphis, Tennessee, *Mrs. Kathy Klayer* teaches science and health courses at Lopez and coaches the Green Wave swim team. She earned her B.S. in Education at the University of Cincinnati. Between teaching and coaching, Mrs. Klayer finds time for her husband and two kids and for sewing and macramé.



Mrs. Cheryl Lee Johnson has a wide variety of hobbies ranging from yoga to chasing her active six-year-old son. She was born in Columbus, Ohio, but she spent most of her life in the Northwest. Attending several universities, she received her B.A. in English at the University of Denver. Besides being busy teaching French and English here at Lopez, Mrs. Johnson has many hours towards a degree in comparative religion.

Lopez has its own amateur limnologist! That's right! *Mr. George King*, originally from Chicago, Illinois, somehow finds time to indulge in such hobbies as limnology, woodworking, and outdoor sports when he is not busy being husband to wife, Sheridan, or teaching Algebra I and II, geometry, and analysis courses at Lopez. After having received his B.S. in Math from the University of Illinois, Mr. King spent two years of his life teaching in Malawi, Africa, and two summers in the Everglades with the Youth Conservation Corps. Despite his involvement at home and at school as Lopez Athletic Director, one of Mr. King's habits is to learn something new everyday.

Earth to Mrs. Klayer, Earth to Mrs. Klayer.

One of the most colorful faculty members at Lopez is *Mrs. Raisa Leorza.* Born in Sague la Grande, Cuba, Mrs. Leorza was educated at the University of Havana. She also attended Bethune Cookman College where she received her B.S. in Spanish.

Mrs. Leorza, vivacious Spanish teacher at Lopez, claims to have no personal habits and enjoys classical music, ballet, sewing, and traveling.

Miss Lerolyn McFashion, Home Economics and Social Studies 12 teacher, enjoys sewing, cooking, and art. A graduate of DBCC and a bearer of a B.S. in Social Science from Florida A&M University, Miss McFashion lives with her parents and has worked at Lopez for two and a half years. She also dedicates her lunchtimes to running the concession stand and we hope she'll remain at Lopez a long time.

An extensive traveler, *Sister Christine Marian — RSHM,* has been to Columbia, South America, Italy, France, England, Spain, Germany, Switzerland, and Austria. Besides traveling, Sister Christine also likes to read, listen to classical music, knit, and work on crossword puzzles. She is originally from New York City, and received her B.A. at Marymount College. She earned her M.A. at Columbia University, New York. She has also done some studying in Italy, France, and Columbia. Her extensive background gives her excellent qualifications as Latin teacher here at Lopez.

"I wonder why everybody's answers are the same?"

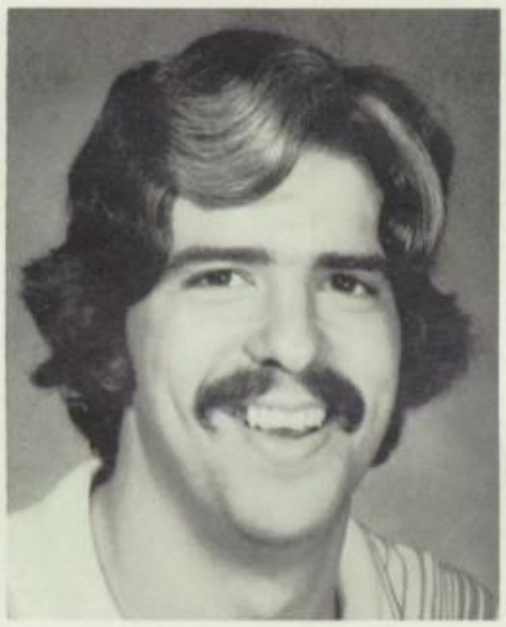
"Don't you put my teeth on that table!"

Sister Christine, camera shy?

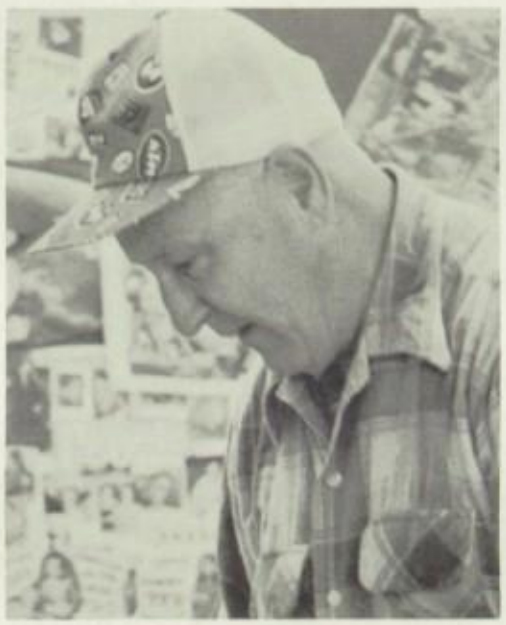
A graduate of nearby Stetson University, *Chuck Mojock*, guidance counselor at Lopez is originally from Pennsylvania. Holder of a recently acquired Master's degree in guidance and counseling, Mr. Mojock gives individual attention to each senior's post-high school plans.

To relax, Mr. Mojock plays basketball and tennis and enjoys dancing and canoeing. He claims to enjoy his work here at Lopez and says that it's fun and exciting to watch the students grow.

Hard working, but inconspicuous, *Mr. Walter Oskandy*, known around the campus as just plain "Walter" has had two sons graduate from Lopez. Assisting Rosie in maintenance, Walter likes to fish and eat what he catches. He also enjoys, along with his wife, Yvonne, collecting antiques.



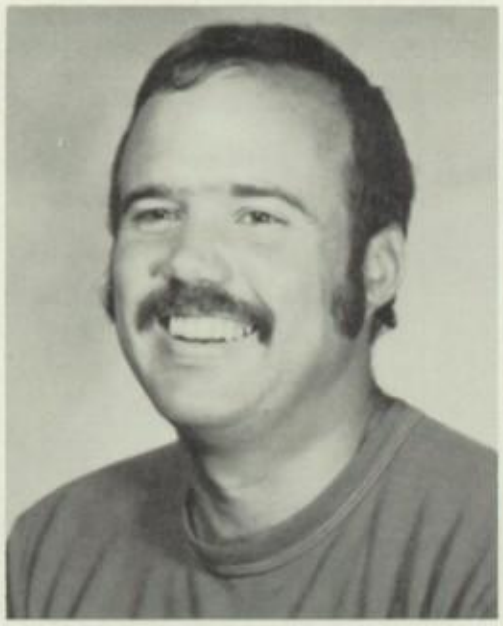
A native New Yorker the pastor here at Lopez, *Father John Picciano* attended St. Leo College in St. Petersburg where he received a B.S. in Business Administration and Philosophy. He also earned two masters; one in theology and one in psychiatric social work. A friendly guy, Father John enjoys golf, tennis, music, and novels.



"Hello down there!"

"Dear Santa . . . Love Chuckie."

"God'll getcha for that one!!"



A native Floridian, *Mr. Bobby Pittman* is from Clearwater, Florida. Father of two boys, Mr. Pittman attended FSU where he received his B.S. in Physical Education. Teacher of health and P.E. classes, Coach Pittman first began his career here in Daytona Beach. In his spare time, Coach Pittman enjoys jogging, canoeing, and reading, and upon request or non-request always has a joke handy.

"Do you think I'd make it as a musketeer?"

Sister Miriam Thomas, of the Dominican Order, works as assistant to Mr. Mojock in guidance. She is also indispensable to Mrs. Jerabek in the library where she lends a hand. A world traveler, Sister Miriam is open to any suggestions on a world cruise at an inexpensive price.

"I will not change your grade no matter how much you give me!"

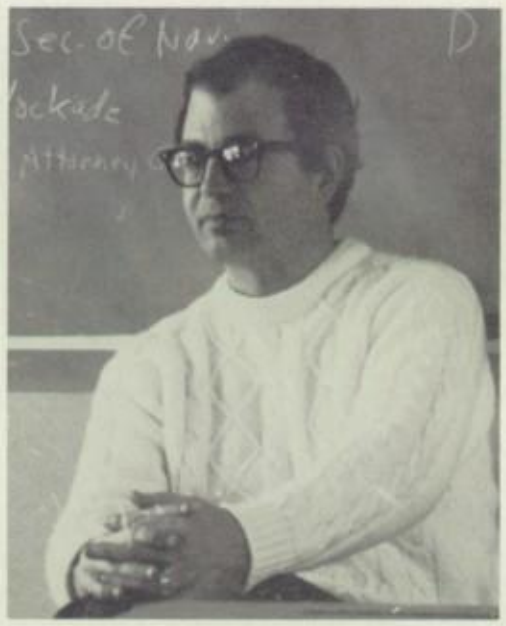
Mr. Jeff Snyder, a native of Pittsburgh, Pennsylvania, has taken over the job of teaching psychology and Theology 12 at Father Lopez. He also spends his time at Lopez coaching the girls' basketball team, and being head of the Discipline Committee. Mr. Snyder, the oldest child in a family of six children, also enjoys sign painting, art, and stereos. He went to St. Mary's Seminary College in Baltimore and earned his B.A. in Psychology and Religious Studies.

"Connecting these dots sure is rough."

"But I wanted to be a mouseketeer, too."

English teacher, girls' P.E. coach, volleyball coach, and intramural bowling director all rolled into one, *Mrs. Mary Ann Tidmarsh* is an important figure in Lopez sports activities. Although born in Ohio, Mrs. Tidmarsh received her B.S. degree in Physical Education from nearby Stetson University. Despite her activities here at Lopez, Mrs. Tidmarsh finds some spare time in which she enjoys swimming, horseback riding, bridge playing and reading.

Father of four, and native of Mount Vernon, Ohio, *Mr. Bruce Tramont* holds a B.A. from the University of Buffalo. Coach of the Varsity Basketball team and teacher of social studies, Mr. Tramont has been at Lopez for ten years. He enjoys sports and music, especially playing the piano now and then; and he loves spaghetti.



"This is worse than being put in the corner!"

"But 2 + 2 is supposed to be 4!"

Eighteen faithful years ago, when this year's seniors were just coming into the world, Father Lopez added to its staff *Mrs. Mary Hoffman Truscott*, valuable secretary and graduate of St. Paul's High School. Mrs. Truscott was born in Bloomington, Illinois, and married husband James in 1971. Her hobbies vary from fishing and reading to crewel and talking to Mrs. Tramont on the phone. Mrs. Truscott has also done some traveling. She has visited Colorado, California, Arizona, New Mexico, and Mexico. She is indispensable and will hopefully still be part of the staff when the senior's children become seniors.

Sorry I'm late, an elephant sat on my car!

Fr. Ray Zemaitis?!

An honors graduate of the University of Missouri (Columbia), *Mrs. Joan Martin White,* upperclassmen English teacher here at Lopez, enjoys writing, swimming, and running. An avid outdoors woman, Mrs. White sponsors the backpacking club and often goes backpacking with her husband Perry in her spare time. Born in Phoenix, Arizona, she has lived in Virginia, Colorado, Japan, and Missouri, but resides presently in the small town of Deland.

Roosevelt Wilmore, better known as "Rosie" to Lopezians, has been here longer than any other member of the Lopez staff. In charge of maintenance, Rosie has been at Lopez since 1959. From the small town of Rock Hill, South Carolina, Rosie loves all sports and music, boogieing, and claims his favorite food is baked potatoes.

"Nobody knows dah trouble I see!"

"Surf's up" is a phrase often escaping from Lopez's chemistry, earth science, and physics whiz. Born in Massachusetts, *Mr. Ray Zemaitis* attended both Boston and Worchester State Colleges. While often busy with wife, Kristina, or coaching tennis, Mr. Zemaitis still finds time to enjoy all kinds of sports and music.

HEAR YE, HEAR YE

School Board

"I move we build a Superdome over the football field."

"Who let that photographer in here?"

Led by Chairman Joe O'Brien, the School Board was extremely active raising money for the library expansion fund. Besides the selling of the Christmas trees and wreaths, the Board, with Father John Picciano, took care of the organization of the Father Lopez Spring Festival. The Board also worked on other projects besides fund raising which were basically firming up the school policies.

"Well...I'll be switched!"

Parents' Association

An organization welcoming interest, suggestions and participation by all parents of Father Lopez students, the Parents' Association's purpose is three-fold — to provide and/or support educational, social and fund raising opportunities for parents in the hope of enriching the school environment.

Plans for this year were coordinated with the Board of Education, Administration, Faculty, Booster Club, and Parents' Association at a joint meeting preparing for orientation. The club supported the school sponsored parent education programs with special emphasis on Sister Rose Ellen's Koffe Klatches, where guest speakers shared their expertise in a particular field. The Parents' Association also contributed money for shades for the classrooms, a new mimeograph machine, library video camera and study carrels, and Christmas gifts for the faculty.

President Judy Cook conducts one of the busy meetings.

AN EXTRA PUSH

Booster Club

An essential element for the success of the sports program is an organization designed to support in spirit, enthusiasm, and finances, all sports of the school. The Booster Club, under the direction of officers Irene Amara, Ed Kertis, and Shirley Sprague, did just this. Some of the year's activities include weekly bingo games at Treasure Island Inn and Our Lady of Lourdes, and selling programs at the numerous races at the Daytona Speedway. Funds from these go to the purchase of sporting equipment that helps further the abilities of the participants in Lopez sports.

Booster Club works hand in hand with football . . .

And the tide rolls on — the Waves once again were guided through a tough football season and emerged with a winning record; one of the few traditions that wasn't affected by changes this year.

The hefty, body-conditioned team, breaking in new coach Bobby Pittman, ended with a 5-5 record. Assistance came from all sides with the helping hands of Coaches Jim Gardinier, and two graduates from Lopez, Bill Thompson and Steve Cesari.

Despite the three hour practices, the grueling weight-lifting sessions, and a few heartbreaking defeats, the team enjoyed this season and is already preparing for another winning one.

The miniature Waves sometimes referred to as the "Ripples," were coached this year by Bruce Tramont and Mike Powell. The J.V. Controlling the ball is not an easy task when one is on the court with nine other athletes. Yet the Green Wave varsity basketball team made that task look relatively easy.

Carefully instructing the Green Wave team, Bruce Tramont sparked his team with excitement. Often competing with 3A or 4A schools did not help the win-loss record, but in 2A competition the story was different.

It takes teamwork to make a team great, and it takes control and discipline. This year's team went that distance.

How do I get into these things?

I hope this goes in; my mother is watching.

A JUMP TO VICTORY

Girls' Varsity Basketball '77-'78

Women's Lib touched Lopez last year when the girls' varsity basketball team was organized and it has been an able addition to the Green Wave lineup. In its second year and under the direction of new Coach Jeff Snyder the team turned last year's 2-10 record around to one of 9-7. The dedicated players occasionally came to practices at 6:30 in the morning to improve individual skills and teamwork. Coach Snyder is expecting an even better team and record next year. And who will they find to coach girls' varsity football . . .

Coach Snyder, Captains Wendy McMenamy and Cathy McCloskey.

Even though we're down 103-6 . . .

"You missed two shots? Let's try again and again!" And so it went in the Lopez gym as the J. V. Green Waves practiced their free-shooting under the coaching of Ray Zemaitis.

To keep fit, the basketball team was constantly exercising, sprinting, and lifting weights. Their efforts began to show when they perked up a slow-starting season, ending up with 11 victories and 12 defeats.

Innovation can make the dullest things seem interesting, and Lopez's J.V. basketball team proved that to be true by transforming simple free-shooting practice into a daring game of concentration and coordination.

Among the four Green Wave basketball teams are the Freshmen, and this year's team was an able addition to the Lopez season. Coach Elmer Lingo led his Freshmen to several victories as well as teaching the importance of working together as a team. Fans at their games had a look at next year's J.V. team and a terrific example of Lopez's ever growing dominance in sports.

SOC IT TO 'EM

Soccer '77-'78

Despite the soccer team's unfortunate losing season, the Green Wave players met each new opponent with courage and teamwork. Several times the team suffered casualties, losing goalie Jim O'Brien because of a broken arm, and forward Greg Smith because of a broken ankle. Although the team went through difficult times, Coach Elliston Rahming encouraged them to have faith in their potential and talents. Having polished their skills through weeks of exhaustive practices and games, next year's team will face their opponents determined, spirited, and ready.

The year began slowly for the Father Lopez Volleyball team and the schedule was demanding, but with patience, hard work, and the leadership of their captain, Lorraine Lill, the difficulties were soon past.

Problems were ironed out in the beginning of the season and the team headed for a tough challenge at districts. After a good attempt, the team unfortunately went down in defeat. Although it was a losing season, the coach, Mrs. Mary Ann Tidmarsh believes that "The team has come a long way."

The national leagues had stiff competition this year as the Lopez baseball team finished their season with their most successful record ever. Long practices and working on the Lopez field made up preseason activity.

Captains David Cesari and Chuck Sprague helped lead their team to 14 wins and 12 losses. Games were played at City Island, Derbyshire, or most often here at Lopez. Coach Jim Gardinier commented that he had a terrific bunch of guys this year but is already looking forward to next year.

Eagles and birdies lit on area greens when the Wave golf team caddied out to do some swinging. The team, one of Lopez's smallest, but one with outstanding records, finished with a 17-11 record in one of its best years ever, according to Coach George King. Along with breaking several records the team placed second in the city, second in the county, and second in the subdistrict tournaments. With many area competitors graduating, yet our own team still strong, "dominant" will describe next year's team to a "tee."

What a Dip!

"Help! Help! Shark!"

"Who flipped?"

In keeping with a long unchanged rule, the girls' swim team was dynamic in the water and in spirit. They once again completed an undefeated season except for a third place in districts. Led by Coach Kathy Klayer and Captain Lorraine Lill, the team traveled, along with the boys' team, to the Clearwater Invitational to compete with teams from all over the state. While there they toured Busch Gardens in Tampa and the trip turned out to be one of the highlights of the year. With a tough underclassmen team rising up next year, it looks as if the girls' undefeated record will remain a tradition.

. . . THERE ARE WAVES!

Boys' Swimming '77-'78

And where is the mighty Green Wave more at home than in the water? It was proven true this swim season as the very small boys' team turned out to be a powerhouse of energy. The team placed fourth in districts and smashed several school records several times throughout the spring. Coach Kathy Klayer boasted that the team was "excellent," even though their record was a losing one due to a lack of depth. The example of this year's team says that where there is water there will always be Waves.

"Let me get my hands on you, Chump."

"Edward, what about my husband?"

Tennis '77-'78

Love was in the air this spring at Lopez, but it wasn't the romantic kind. It was heard floating from the tennis court as the Green Wave tennis teams battled for another victory. Mr. Ray Zemaitis coached the girls' and the boys' teams this year, both of which ended with an unfortunate losing record. Coach Zemaitis commented that both teams were young and the year was one of rebuilding. He encouraged, however, that the experience gained will show up in two tough teams next year. So avid Lopez tennis fans can watch for teams that will play like pros and "ace" their season's matches.

KEEP ON TRACKIN'

Girls' Track '77-'78

Despite the complaints, the sore muscles, the shin splints, the twisted ankles and the grueling heat, the girls' track team performed to their fullest this season. Coach Pittman began the season by abandoning the girls in the middle of nowhere, and telling them to run back to the bus for practice — two miles away.

The team came in second at districts and received the runner-up trophy in the Florida School for the Deaf and Blind meet. During the season, all previous school records were broken by various members of the team. As a successful conclusion, two relays and two individuals qualified for State. Scoring the first points ever for Lopez in the state meet was Beth Brookfield with her third place finish in the 880 yard run. It was a successful year, and rumor has it that because of their outstanding year, the team will be taken to Bunnell and told to run back "for practice."

CUTTING THRU RED TAPE

Boys' Track '77-'78

Lots of words could be used to describe the boys track team record, but according to Coach Chuck Mojock, "successful" is the only word to describe the season.

Because of the team's lack of depth, they weren't number one, but individual accomplishments abounded. Existing school records were broken, and two of the team's leaders, Tom Reilly and Pat Twomey, made the coveted trip to the State meet.

The dictionary can supply words to describe any situation no matter how good or bad it might be. Words without emotion mean nothing. The boys' track team, however, was full of emotion and confidence which made them a great individual team.

ORGANIZATIONS

WE THE STUDENTS

Student Government Association

The busiest organization at Lopez is the Student Government Association where elected officers from each class plan student activities. Led this year by President John Goergen and the two sponsors of SGA, Sr. Cecelia and Sr. Gail, SGA's list of accomplishments was impressive. Starting off the year by effectively organizing Homecoming and all the activities that go along with it, the club also took care of the organization of Fun Day, the Magazine Drive, writing up the school calendar, Mini-Course Day, posters for Catholic School Week, and Appreciation Days for teachers and students who are active in school functions.

SGA may be the busiest organization at Lopez, but it is also the club that can always be counted on to get things done.

OUR LEADERS?

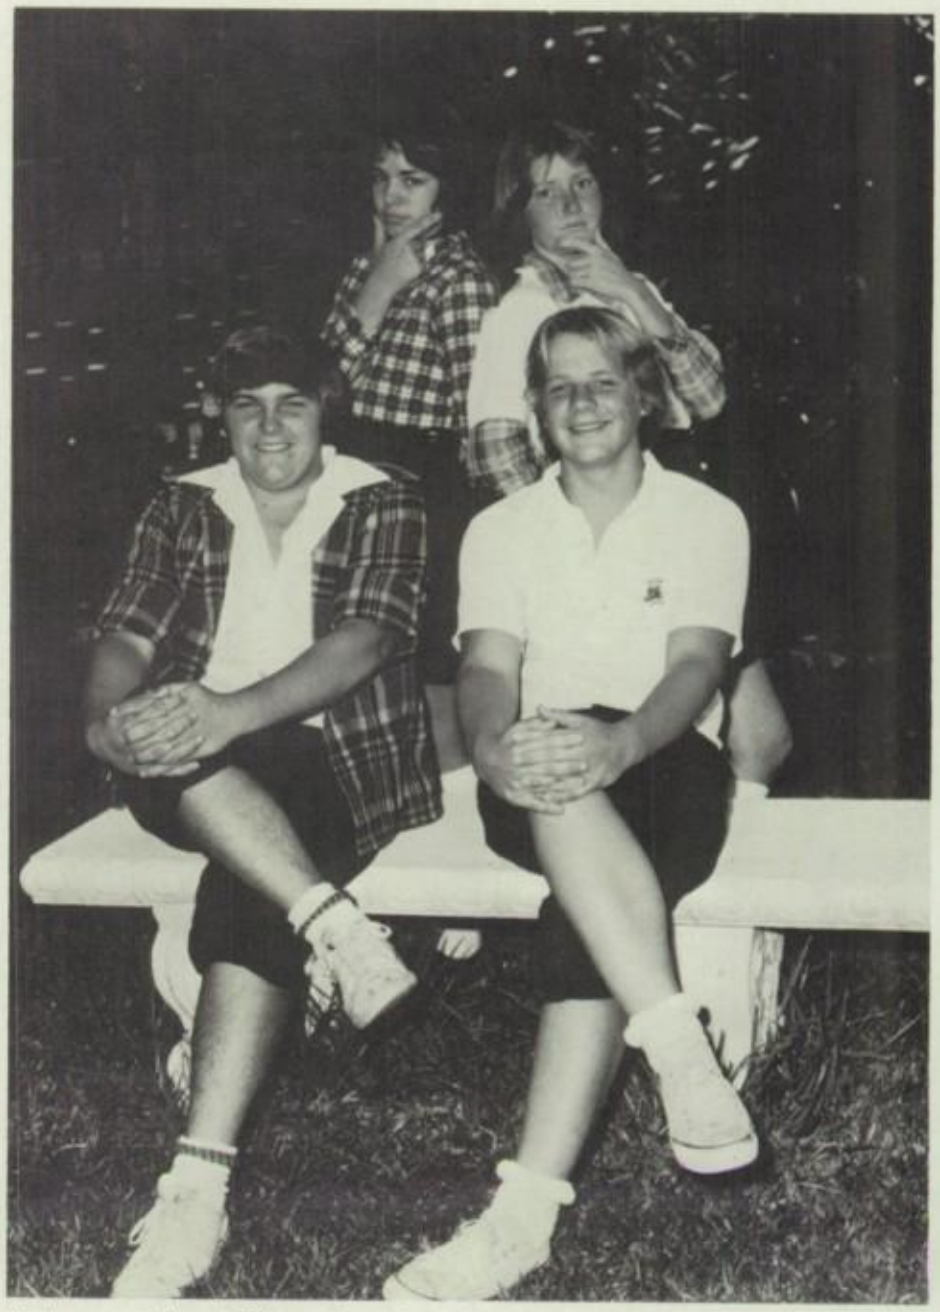
Class Officers '77-'78

Even though Lopez is a small school, it still needs its leaders. Each year sophomores, juniors, and seniors elect four officers from their classes that they feel will do the best job.

A few highlights of the Senior officers' accomplishments were the organization of Ring Blessing, Senior Dance-a-thon, Grad Nite, and Graduation. The junior officers were busy all year raising money for Prom. Sophomores, starting early this year, raised money for Prom through a class trip to Disney World.

'77-'78 was an outstanding year and much of the credit is due to the '77-'78 class officers.

Junior Class Officers: President Maggie Lloyd; Vice-President Bey Goergen; Secretary Becky White; Treasurer David Lloyd.



Sophomore Class Officers: President Wes Dunn; Vice-President Larry Kelly; Secretary Leslie Krawczynski; Treasurer Sue Bouchard.

Senior Class Officers: President Bill Lloyd; Vice-President Mary Crotty; Secretary Blaine Staed; Treasurer Tim McNamara.

At the head of Interact are its two sponsors Sr. Gail and Sr. Cecelia, along with Chairman John Goergen. Newly organized this year the club accomplished much including the coordination of the Homecoming parade, the Leadership Workshop, the Magazine Drive, and various dances and masses. Looking at the club's accomplishments it is easy to see that Interact will become an important part of Lopez.

WHAT YOU SEE IS WHAT YOU GET

Varsity Cheerleading '77-'78

This year the Varsity Cheerleaders really got it together and added new dimensions to the spirit at Lopez. The girls, showing their creativity, skill, and coordination, spent many dedicated hours finding ways to rouse the spirit of both fans and players. Activities included parties for the players, pep rallies, fund-raising events, new exotic cheers, stunts, and some "Spacey" routines. The girls enjoyed a very successful year and were one of the best squads Lopez has ever seen.

Cheerful even through losing games, these girls kept their teams' morale at their highest. Bringing in new techniques learned at camp, the J. V. girls led their guys through the season with sensational new stunts and enthusiasm which they plan to bring to next year's Varsity.

BUILDING FOR THE FUTURE

Freshman Cheerleaders '77-78

Welcome to Pyramid City!

Who are full of pep, have bright, happy smiles and build terrific pyramids? Only Lopez's Freshman cheerleaders fit that category. And their '77-'78 season showed all that and more.

Eight qualified girls made the team this year, giving the Freshman basketball team spirited support and an extra push when things got tough. They also cheered at the pep rallies and performed a dance routine to "Boogie Nights". Perhaps the most outstanding feature of these cheerleaders was their towering, and sometimes unbelievable, formations.

It's cheerleaders such as these that help give Lopez its famous spirit and keep us number one.

Once again the National Honor Society scholars had a busy time keeping up with their books and other outside activities. These busy intellects organized and ran all of the honors assemblies, threw a Christmas party for children in the Head Start program, and assisted Hurst Elementary in running their field day. And every day at lunch two N.H.S. members could be found selling candy in room 210.

The N.H.S.'s most time consuming project this year was the "Dollars for Scholars" fund drive. Over $800 was raised to aid the '78 seniors in furthering their education.

One more event topped off the year for the N.H.S. — their annual "Student — Teacher Day", in which members became teachers for a day.

The busy year ended with the induction of new members and words of advice from the graduating seniors.

Pep Club '77-'78 overflowed with spirit and drive as members got involved with everything under the Wave. Pep Club events included Spirit Day, the Homecoming Dance, Sadie Hawkins, and cheering at pep rallies and games. Pulling strings behind the scenes was club sponsor Sr. Mary Ann, who ably gave direction when it was needed. Their contagious spirit and yells kept teams driving to victories and, this year more than ever, kept Lopez's tradition of overpowering spirit.

EXCEDRIN HEADACHE #224

Yearbook

Besides devoting their creativity to the Green Scene, the Journalism class spent a lot of time working on the yearbook.

Veritas was a special project and was full of many new ideas; one of which was the new fall delivery, thus making it a complete yearbook. It required devotion, patience and creativity from all of the staff members. Under the guidance of Cathy Boyle and supervision of Bill Lloyd, money was raised, ideas were put into effect, and a yearbook was finally created.

Despite some financial difficulties, technical problems, and deadline threats, Veritas survived to bring back to everyone at Lopez the most memorable moments of the 1977-78 year in its entirety.

Deadlines and constant work were the close companions of The Green Scene Staff. Lopez's Journalism class made up the staff, and under the supervision of Mrs. Cathy Boyle, learned the dynamics of putting together a school newspaper. Published on the average of one every three weeks, The Green Scene tried to keep the students up to date on what was happening around school, and who to watch out for on campus. Working on The Green Scene was a hard job requiring much of the staff's time, but the final product was rewarding.

Although the Drama club did not present a production this year, they nevertheless spent their time in action. Lopez's playwright Antionette Meeks wrote a Christmas play and Bill Lloyd produced a pep rally skit. Mr. George Garcia showed members what it takes to put together a musical and presented the various techniques of make-up. Our Lady of Lourdes School was given help from the club in their production of "The Wizard of Oz" on April 29. To better equip the stage for future productions, it was thoroughly cleaned, waxed, and installed with new stage lights. With the direction of Sr. Rose Ellen, the club looks forward to another year in the lights.

THE I. B. A.

Intramural Basketball

Intramural Basketball this year resembled a league known to millions of sports' fans as the NBA. Tough competition between evenly matched teams produced a three-way tie at the conclusion of basketball season. Play-off games were scheduled and the team of Paul Bouchard emerged victorious. As the final finale of their season, the all stars challenged the faculty. However, after a long, fight the Fab Fac emerged victorious once again. At the close of the season, fans were forced to return from the frenzy of Lopez Intramurals to the less than exciting antics of the NBA.

Intramural bowling competition took place in February and March at the Halifax Lanes. The winning team was that of Becky White, Suzie Demming, and Cathy McCloskey. High scoring game honors went to Becky White and high average to Suzie Demming.

As the fourth nine weeks began so did the girls' intramural volleyball. Teams were chosen and girls participated biweekly. The winning team was made up of A. Meeks, C. McCloskey, S. Bouchard, K. Dunn, M. Smith, A. Kelly, L. Porter.

By selling tacos several times during lunch, the club managed to raise enough money to treat the whole club to several field trips. Besides travelling to Tampa to see the Gasparilla Parade and afterwards eating at the Columbia Restaurant, an old world restaurant serving authentic Spanish dishes, the club also went to St. Augustine and viewed the Castillo de San Marcos and the Old Jail. The energetic club hopes to continue these activities and make their field trips annual excursions.

Displaying courage on each trip, backpacking members enjoyed their adventures, and gained valuable experience and tall tales to tell their grandchildren.

MATCHING WITS

Brain Bowl

"I can't believe he just said that a lexicon is a female leprechaun."

The Brain Bowl team demonstrated that there is team spirit in academics with its matches this year. Although not often victorious, the team had fun answering questions ranging from math and history to Star Trek. With Sponsor Sister Mary Ann and highscorer Tim McNamara, the group traveled to matches all over Central Florida. The most important characteristic of the Brain Bowl members was their consistency and perseverance even through a losing season and Sr. Mary Ann feels that this was enough to make the season a winning one.

"No Michele, you can't ask those kind of questions."

ACTIVITIES

STAR WARS

Homecoming 1977-1978

Excitement and spirit reached the heights this year by the time Homecoming Week was but half over. The festivities that occurred all week were intended to spur excitement for the upcoming game and indeed they did!

The week started out calmly with an assembly on Monday. But by the time the students had gone through Sock it to 'em Day, the Whopper Eating Contest, Hat Day, the Crowning of the Homecoming Court, Floatbuilding, Inside-out Day, the Gong Show, Senior Shiek Day, the Fairy Tale Pep Rally, Star Wars Grub Day, the Seabreeze Grand Staff Show, the Homecoming Parade, and Banner Day at Burger King, people were running around shrieking at the top of their lungs and with overall spacey appearances. Who knows? Maybe it had something to do with the theme of Star Wars, but what everyone knew is that Homecoming couldn't have been any better or more fun.

Mrs. Boyle, struttin' her stuff.

What was supposed to be one of the hardest games of the year proved to be an easy victory for the powerful Varsity football team. The Homecoming game, a match against district rival Pierson Taylor, was an overwhelming win for the team with a score of 19-6.

Adding to the excitement of the game, halftime highlights took place in which the Varsity cheerleaders performed an original routine to the "Theme From Star Wars" and the Homecoming Court was crowned. Winning floats were also announced followed by a short parade around the stadium.

The outstanding victory of the Homecoming game and the exceptional halftime activities were the perfect ending to a week filled with the outrageous excitement and joy of Homecoming.

Cheerleaders in a blur of activity.

What a motley crew.

We love you Green Wave.

Do it, Bu!

"What is it?"

"It's a winning float, that's what it is."

Bill Lloyd enJOYing himself.

Parades, fun days, and a football game are all charactistic of Homecoming week, but the Homecoming festivity that everyone remembers is the Homecoming Dance. This year's dance, held in the Jolly Roger banquet room of the Treasure Island Inn on October 15, was a great success.

In keeping with the Star War's Homecoming theme, the banquet room was decorated with glistening stars and planets. Adding to the cosmic effect, Impulse, the live band, lured the Lopez students onto the dance floor where they boogied the night away.

Homecoming week was the highlight of the first semester, and the dance was the highlight of the week, giving everyone a pleasant memory for years to come.

"Sure hope it doesn't rain."

So that's royalty?

Hard working seniors.

SONIA MORI

Miss Lopez 1977-1978.

November 22 comes and goes every year, but to eighteen girls at Father Lopez, November 22, 1977 will always be a date to remember. To them, it will always mark the day that they got up in front of students, teachers, and judges and performed their talents; each hoping that by the end of the evening the crown and title of Miss Father Lopez 1977-78 would be hers.

This year's contest was jointly sponsored by the French Club and Journalism Class, and the contestants were judged by five community members and eight student judges.

The winners of the contest were: Miss Congeniality — Teresa LeFils; Third runner-up Mona Lisa Mobley; Second runner up — Karen Martin; and First runner-up — Mary Beth Elston. Sandie DiMartino, Miss Lopez 1976-77, then crowned Sonia Mori Miss Lopez 1977-78.

November 22 will continue to come and go, but November 22, 1977 came only once, and to those eighteen girls, it will long remain in their memories as the day that they challenged themselves to try and achieve one of the noblest titles at Father Lopez.

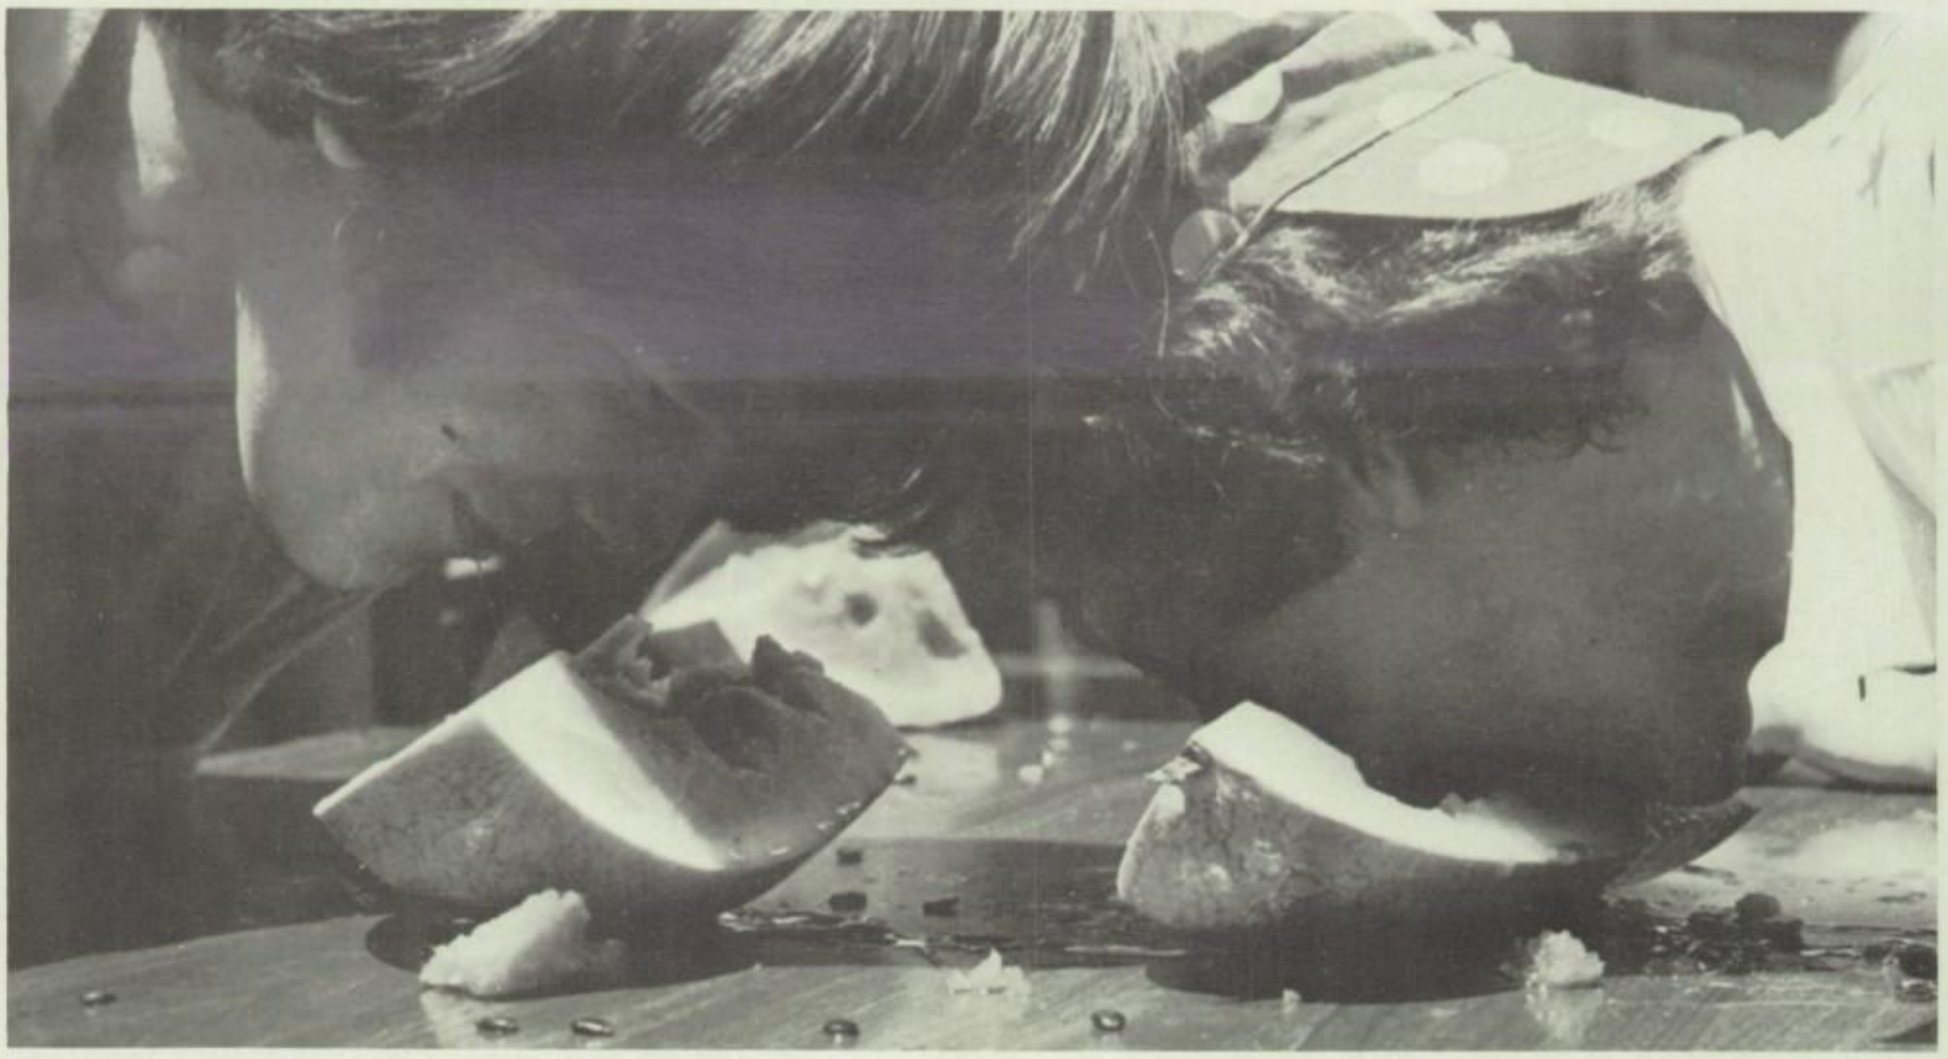
GOING FOR THE GUSTO

Senior Week

From baggie pants, to inside-out day, to a dress-up day, and to a crazy costume day, all helped commemorate one of the seniors' last weeks of school. Activities, including a fun-day, were planned. The seniors seemed to enjoy the fun and frolic, realizing that for some these would be the last days together. Called a fun-loving class, they proved to be just that during their crazy last week.

Larry, are you reading that dirty magazine again?

Seniors are at it again!!



It's munch time!!

The monkeys are at it again!

"I've got the floor, so keep quiet liver lips!"

"Hey, I killa my brother ya know."

Blaine competes with Joby in world record bubble contest.

Now hold it Tom keep your clothes on!

Alright, who hid my other crutch?

ROCK AROUND THE CLOCK

Fifties' Day

Lopez's image changes! Fluffy hair gets greased liberally, and pretty legs are hidden by bobby sox and mid-length skirts. Not only clothes styles underwent a drastic change, but so did sexes. Boys dressed as girls with bright red lipstick and added humorous variety to the day, kissing teachers and leaving their marks. The Varsity cheerleaders sponsored the activity to raise money for uniforms as "Happy Days" were here again.

Senior Class Officers of 1959: Pres. D. Button; V.P., R. Unuts; Sec. B. Mine; Tres. L. Knowe.

These are our Happy Days.

"Sha-boom Sha-boom."

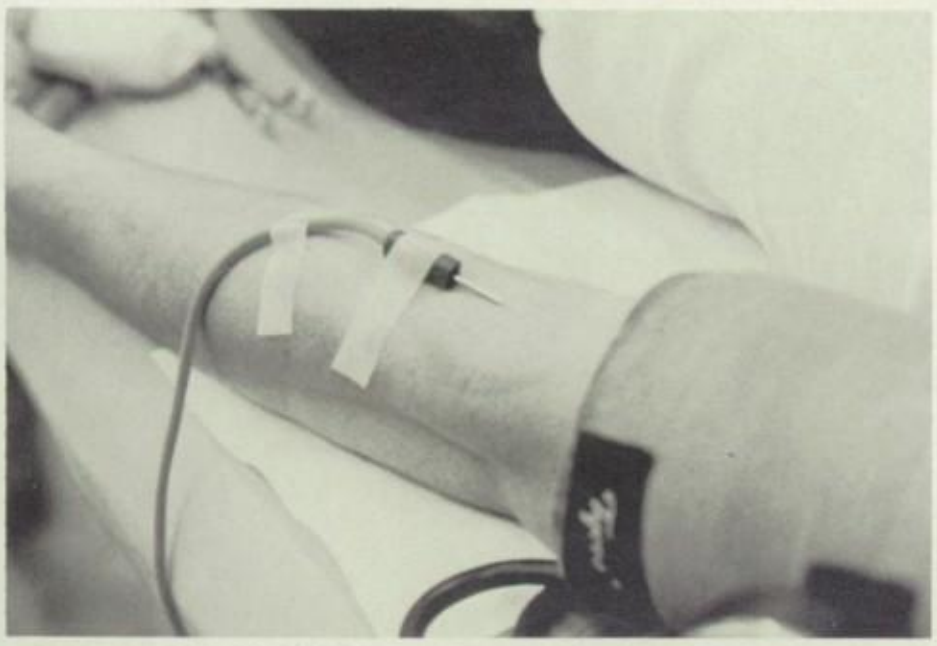
Let's rub out Sr. Rose Ellen."

YOU'RE SO VEIN

Lopez Blood Drive

Step 1: Victim jokes to shrug off feeling of impending doom.

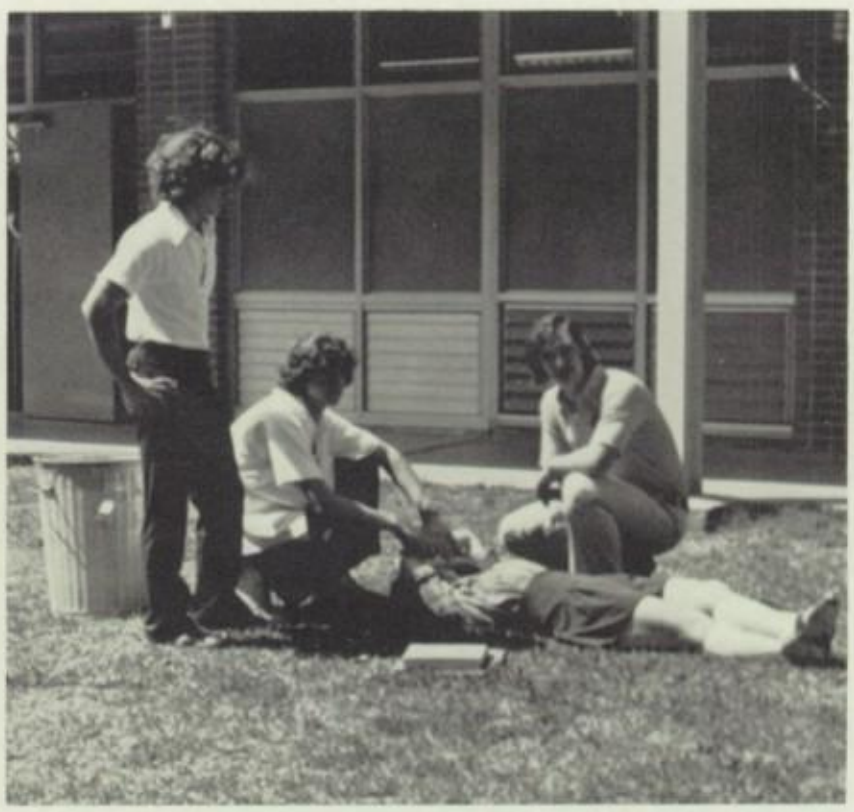
Generous Lopez students donated pintsful of their blood to the Red Cross twice this year. A few fainting spells added to the excitement of the day and free food and soda persuaded some reluctant participants. The overwhelming donations added up to over 75 pints of blood. The Red Cross thanks all the unselfish donors and will be back next year for more donations.



Step 2: After three misses, nurse hits the jackpot.

Step 3: Victim's life flashes before his eyes.

Step 4: Needle attracts bloodthirsty crowd.

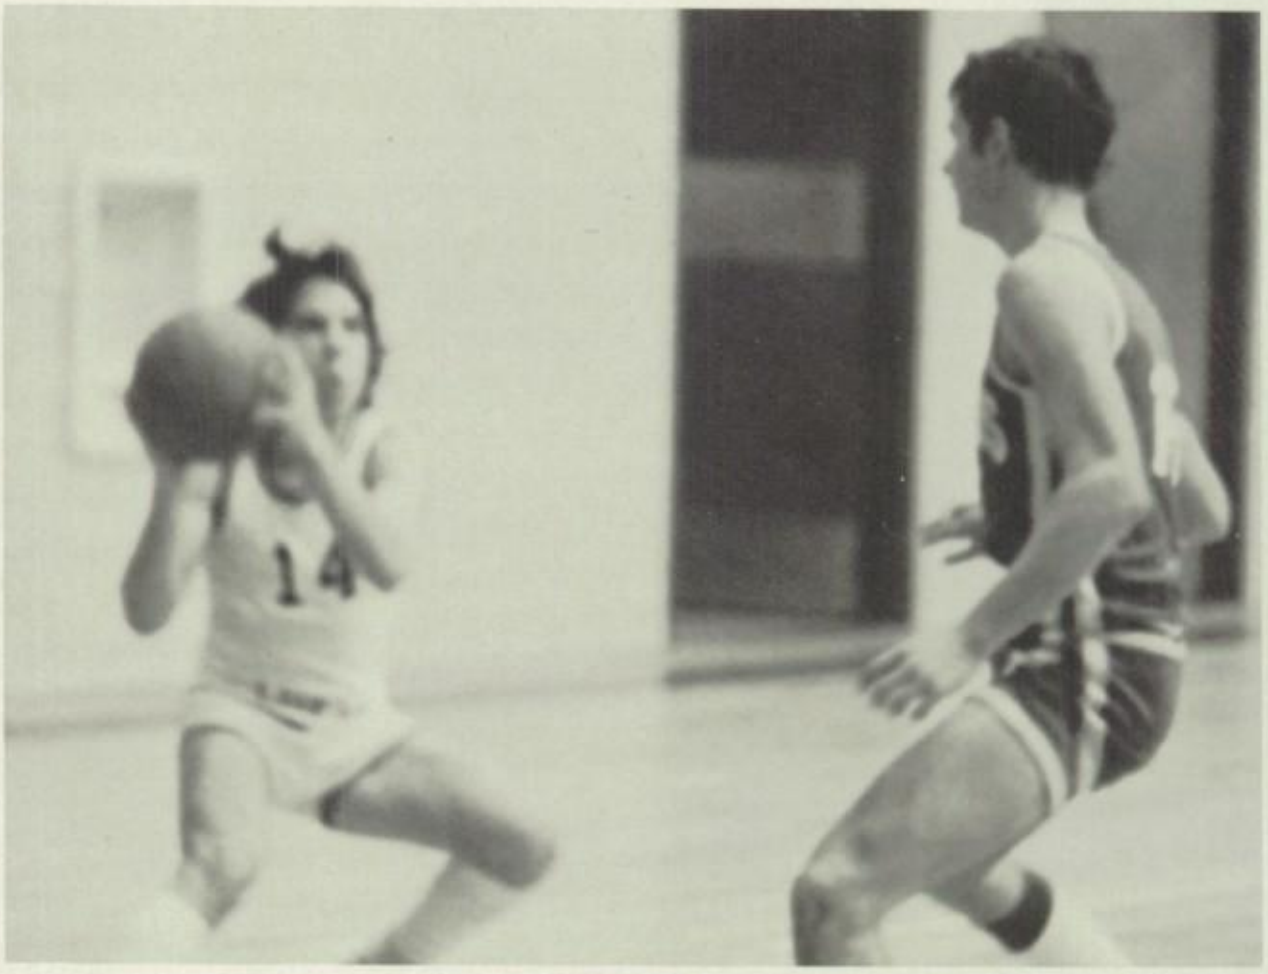


Step 5: Ordeal passes but aftershocks linger.

WAGONS HO!

Mini-Homecoming 1977-1978

A new event centered on basketball made the scene this year in the form of Mini-Homecoming. Sponsored by the National Honor Society, the night was full of activity and lots of laughter. A basketball game launched the night, and it ended with a dance featuring WDAT's Bob Wise. In between came the parade of mini-floats and the announcement of the royal court. Room 210 ran away with first prize in the float contest followed by Room 106 and then the Student Government Association. The court, chosen from the basketball teams and cheerleaders, was ruled by King and Queen Rick Gaines and Mary Jane McMenamy. Dennis Culver and Mary Pat Kelly won the Varsity tally followed by Tim MacDonald and Suzy Storch elected by the J.V. team and Marcus Burke and Lisa D'Assaro chosen by the freshmen. The dance, following the hard-fought game, was very successful to top off the mini-spectacular. If this year is any indication of the years to come, it looks like Mini-Homecoming is on its way to becoming an annual event.



Shoot it up, Joby!!

Gun-hoe!!

The Sophomore Look.

Roast him!

Moe, Curly, and Larry.

"Gee, riding in a wagon is neat!"

"This is my date for Homecoming!!"

"Open your Bibles to page 53."

"Who's going to ask me out??!"

"HAIL GREENWAVE!!"

TURKEYS IN THE STRAW

Sadie Hawkins

This year the Sadie Hawkins Dance took place in the hay covered gym with all the Lopez Yokels, showing up to make it a Hootin' and a Hollerin' Heck of a Hoedown! Activities included: Marryin' Sam; gals dragging their guys and getting hitched; Chug-a-lug — opportunities to see the fastest Lopez guzzlers; and the Jail House — where for the price of a thin dime the person of your choice got thrown in the slammer. Country and disco music were also provided by W.M.F.J. as once again the Pep Club produced a successful Sadie Hawkins Dance.

Scott Lingo and Ellen Smith git hitched.

"You really don't have to pay me to dance."

"Another comment about my dancing and I'll give you a right to the chops."

"What were we doing? Oh . . . well . . . uh . . .

The Mojocks at their favorite nite club.

"Okay, after we get Sister in here, everybody pays to keep her here."

"We need a potty pass!"

Melissa Fronstin, Maria Creagh, Judy Santos learn one of the latest line dances.

Oh, no! The stroke of midnight!"

Look at those goo-goo eyes.

"These hands are registered with F.B.I. as deadly weapons.

A DAY AT THE FAIR

Spring Festival

Popcorn, peanuts, and cotton candy were the aromas drifting around the Lopez football field the weekend of April 7, 8, and 9; and the first annual Father Lopez Spring Festival was responsible. The event was organized by Fr. John Picciano and the Parents' Association to raise money to expand the library.

The weekend, beginning Friday with a fish fry, included games, rides, and booths for all ages manned entirely by Lopez students, parents, and faculty. Continuing through Saturday and Sunday, the weekend raised the colossal sum of $17,700. For the outstanding work on the festival, Lopez students received a barbeque and a day out of school. The festival proved to be fun for everyone involved and each participant is eagerly looking forward to next year's weekend.

"This money's covered with cotton candy!"

Wes Dunn operates the ring toss at Lopez's first annual Spring Festival.

This place was raided.

"Hi-ho Silver, and away!"

Wet T-shirt contest winner.

"What are you in the slammer for?"

Mrs. Mojock busily at work while her proud husband looks on.

"My son, it's nothing to be ashamed of."

"Coke, Sprite, or Spiked?"

Our experienced connoisseurs of the fine art of barb-q'ed chicken.

"Okay, son, you can have a Barbie Doll or the Baby Wetalot."

"I wonder if I should tell them they're doing it backwards?"

GREEN & WHITE & GREEN & WHITE &

Grub Days

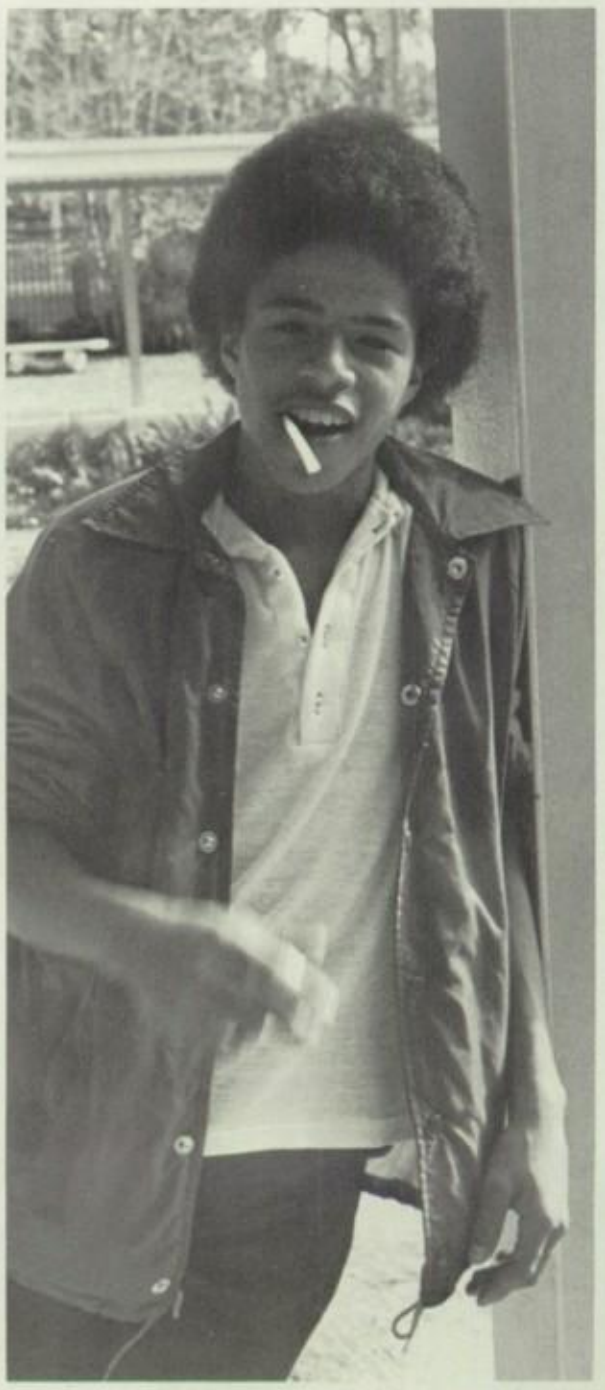
Uniforms! Sooner or later everyone gets tired of them, and Lopez students are certainly no exception! So, every once in awhile, we are given a break, and our green and white uniforms are laid to rest.

The Seniors, privileged class that they are, are allowed to dress up every Wednesday. The rest of the student body also has Dress-up Days, but they have to wait until the first Tuesday of every month and occasionally, Dress-up Days are given as rewards for achievement.

Lopez also has no-uniform days which are classified as Grub Days. On these days, students are allowed to wear jeans and T-shirts, and the student organization which sponsored the Grub Day, is entitled to collect a quarter from each student.

Uniforms are just another characteristic of going to Lopez, but Dress-up Days and Grub Days offer everyone a welcome rest from the monotony of green and white.

"I'm a Rhinestone cowgirl."



"I'd rather fight than switch."

Pep rallies sure are fun.

"Look out Farrah."

"He what!!"

GREEN & WHITE & GREEN & WHITE &

Dress-up Days

How did this get in the yearbook?

"Now what do we do?"

Green Wave Spirit.

"Hmmm . . ."

"What can I say?"

"Row, row, row your boat . . ."

Aliens invade Lopez!

Advanced Bubble Blowing, 5th period.

A DAY AT THE RACES

Field Day.

Lopez students and faculty alike met Field Day with great enthusiasm this year. Events included high jump, long jump, shot put and running activities along with some unscheduled events such as frisbee-throwing and sun-bathing.

The freshman class took the overall honors, establishing their place among the Lopez students. By the end of the day, attitudes were high, people were pleased, and muscles were tired.

"You really think I can jump 65 feet?"

"He's throwing the shot this way?!!"

"Trying to throw this thing is almost as hard as teaching junior English."

The Lopez Patrol.

A group of tourists that couldn't find the beach?

Mary Cook races towards a hopeful victory in the long jump.

No, John, you cannot pole vault with a broom stick.

"How long do I have to hold this pose?"

What strange things one can find in the grass.

Some vigorous Field Day activities.

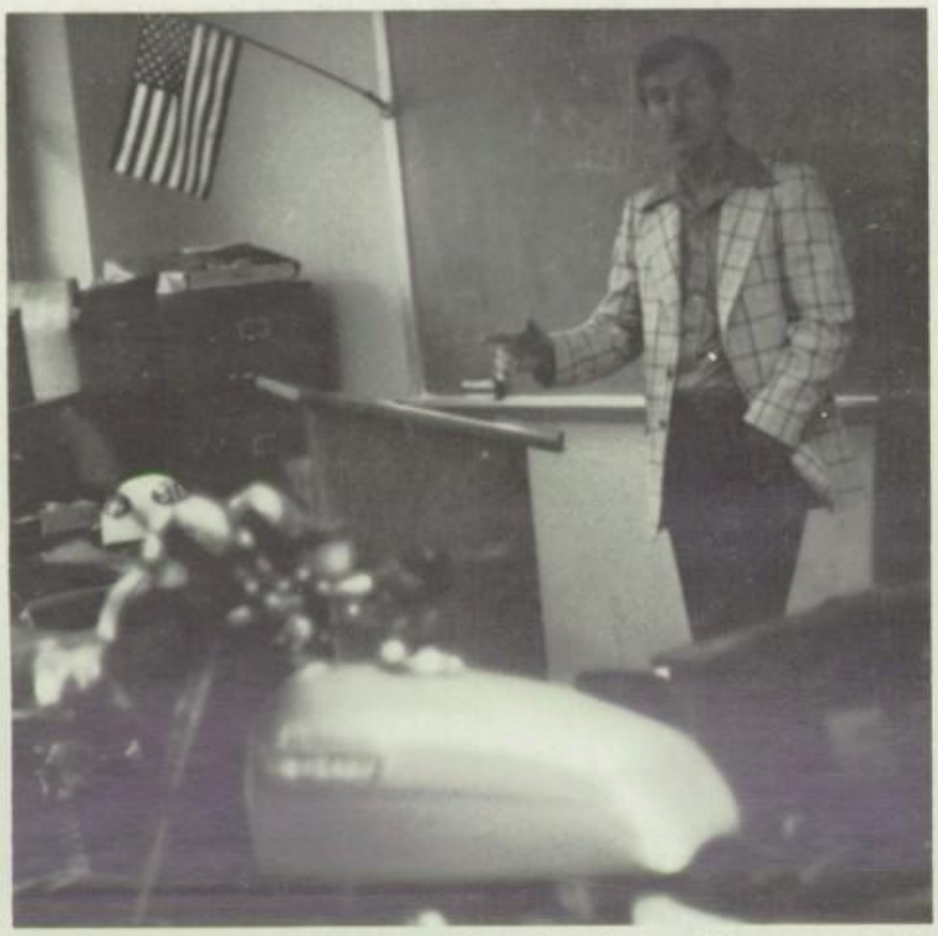
"Did she just eat that frisbee?"

SHOW AND TELL

Mini-Course Day

Among its many other responsibilities, S.G.A. organizes a day of fun and interesting courses. These courses range from magic to poems, skateboarding to biorhythms, and peanut butter cups to dreams. This day provides an excellent opportunity for the students to learn more than history and math. For days after, students plotted their biorhythms and practiced disco steps. Experts taught the courses, and in appreciation for their time, they were given a special luncheon by the Home Economics class. Mini-Course Day first began as an experiment but thanks to continued success and good organization, it has become an annual event at Father Lopez looked forward to by teachers and students alike.

"Guards for the corridors no less."



"Now, kids, motorcycling is the safest sport."

". . . And here we have the drawing room."

Don't ask me, I'm only here for the money."

"Gee, playin' with sand is neat stuff!"

LET ME SEE YA DO THE BUMP!

Pep Rallies

"Which one of you little kids took my lunch?"

Spirit at Lopez runs the whole year as demonstrated at the pep rallies. With the cheerleaders leading the way, the students yelled and shrieked their enthusiasm with overwhelming competition for the spirit stick between classes. Students enjoyed a lot of free entertainment too, with the classy but sometimes shocking skits of the cheerleaders. And if the pep rallies ran a little after the bell, well . . . fifth period can wait!!!

"Surf's up!!"

"I can't wait to see Andy."

Seniors doin' their thing.

"Alright. This is a line-up. Everybody against the wall."

"There he is, girls. Let's get him!!"

Red light!

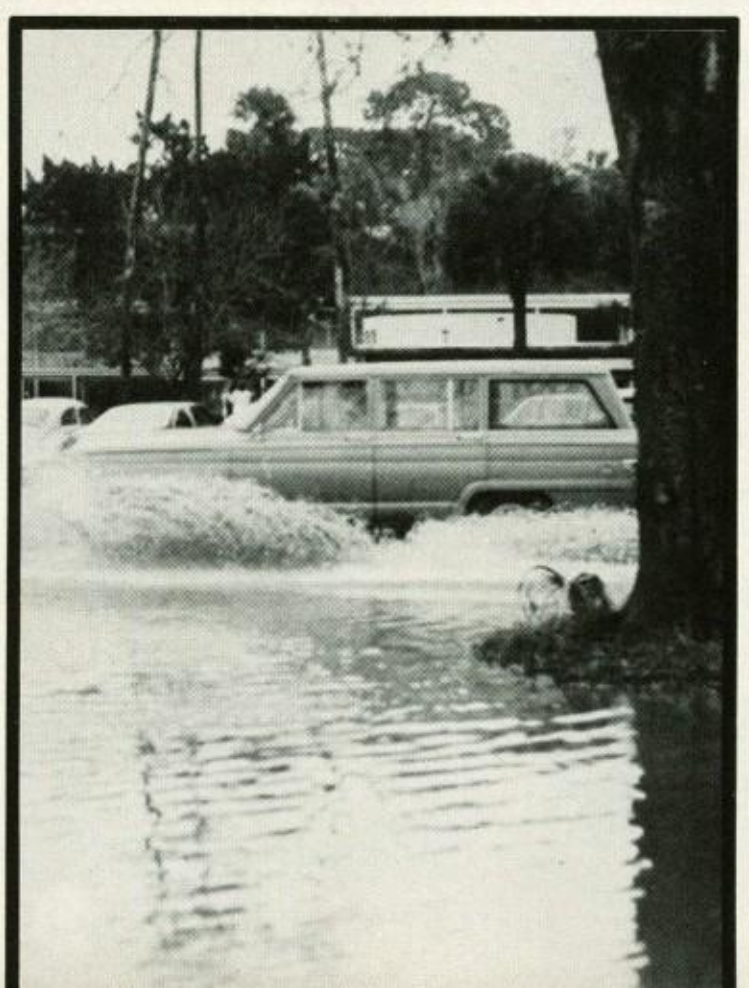
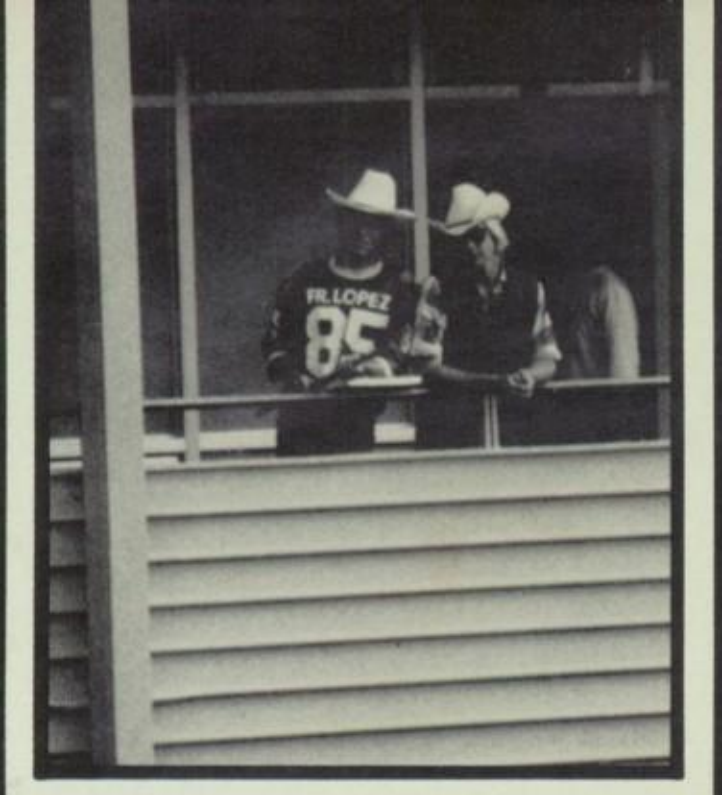
CLOSING

Do not try to run from the hands of Time.

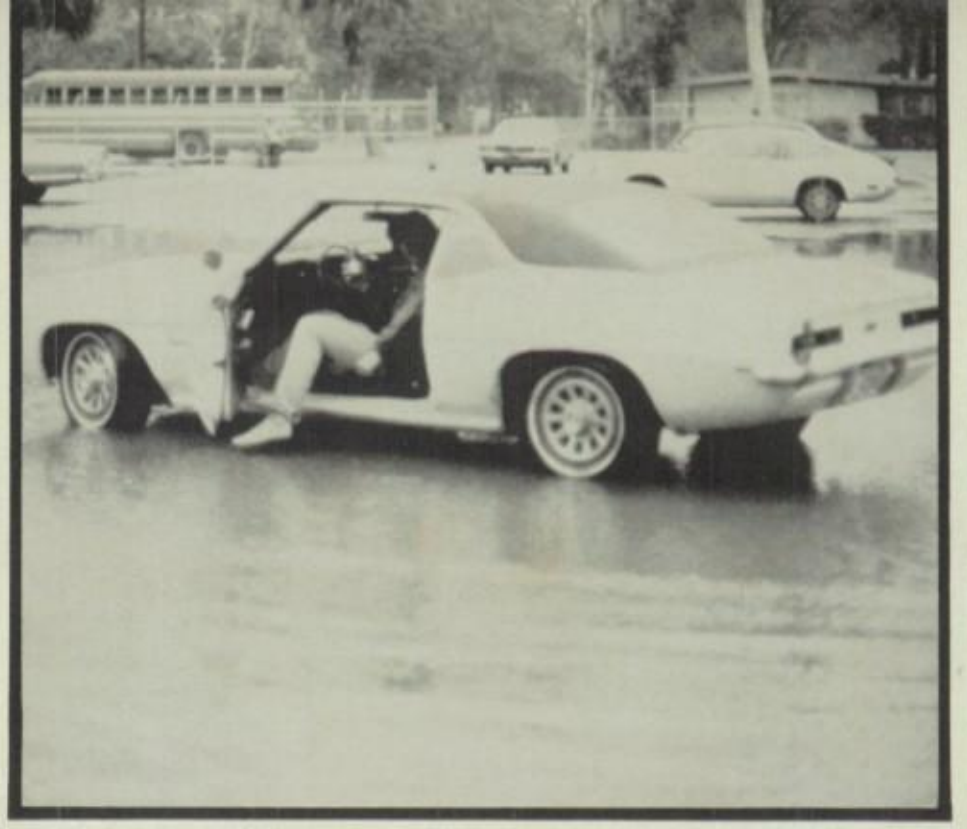


For they have access to every walk of life.

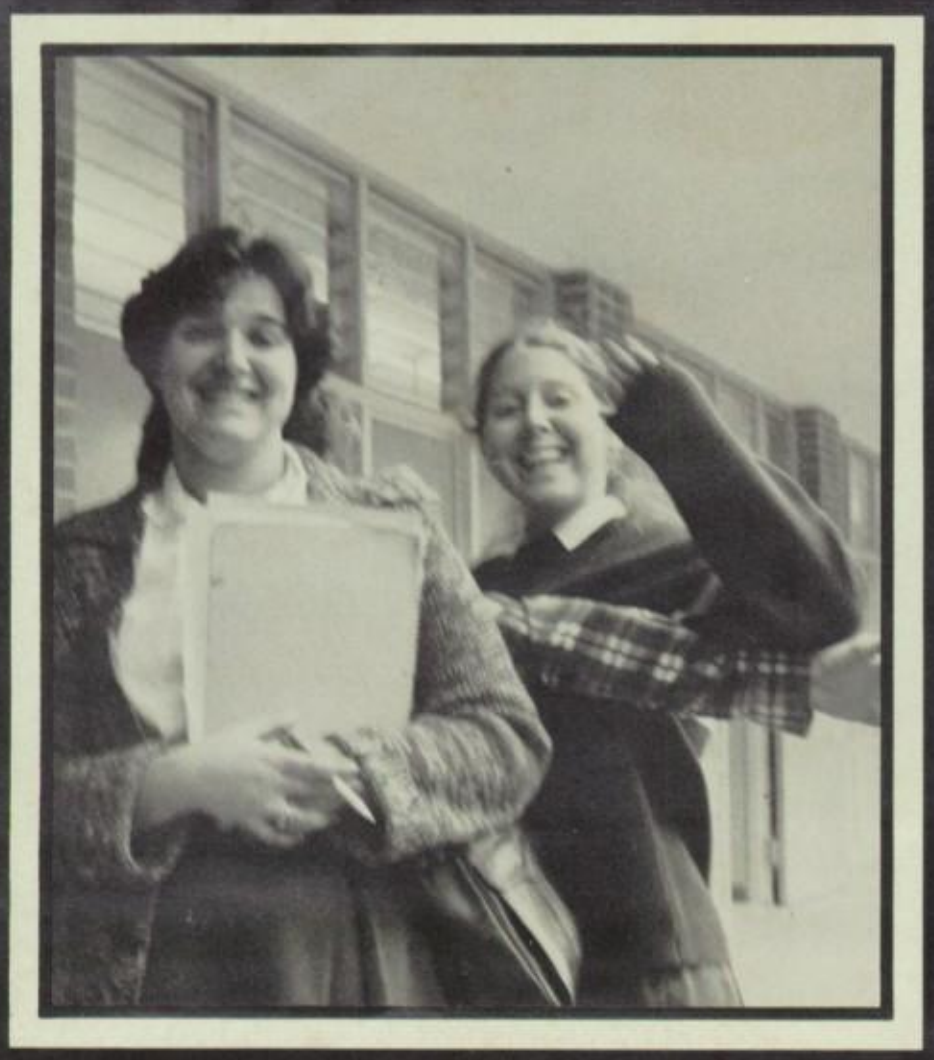
Do not fear the changes that they bear;



Accept them, and make the best of them,



For living is the soul of our existence,



And changes make life worth living.

VERITAS 1978
